### CITIZENSHIP DAY

September 17 is the day that we celebrate Citizenship Day. A citizen is a member of a community, state, or country. Citizens have responsibilities as family members, school members, and as members of their community. Families set their own rules. The family set these rules. Being a responsible member means knowing and following the rules. Family members should be honest with each other.

Schools have rules to keep students safe. Rules make it easier to learn. A responsible student at school follows the rules and tries their best. This is being a good citizen.

Being active in your community and helping others is another way to be a good citizen. Citizens demonstrate good citizenship in many ways. They can be a good citizen.
