Antigay Bias in Role-Model Occupations E. Gary Spitko, 2017 From the first game of the National League of Professional Baseball Clubs on April 22 1876 tens of thousands of men have played professional sports in the Big Four baseball basketball football and hockey major professional sports leagues in the United States Until April 29 2013 however when National

Basketball Association center Jason Collins came out publicly as gay not one of those tens of thousands of men had ever come out to the public as gay while an active player on a major league roster Is it because gay men can't jump or throw or catch or skate Or is it more likely that the costs of coming out are too high In *Antigay Bias in Role Model Occupations* E Gary Spitko argues that in the case of athletes and others in role model occupations a record of widespread and frequently systematic employment discrimination has been excluding gay people from the public social spaces that identify and teach whom society respects and whom members of society should seek to emulate Creating a typology of role models lawyers judges soldiers teachers politicians athletes and clergy and the positive values and character traits associated with them Spitko demonstrates how employment discrimination has been used for the purpose of perpetuating the generally accepted notion that gay people are inferior because they do not possess the requisite qualities integrity masculinity morality representativeness all American ness and blessedness associated with employment in these occupations Combining the inspirational stories of LGBT trailblazers with analysis of historical data anecdotal evidence research and literature *Antigay Bias in Role Model Occupations* is the first book to explore in a comprehensive fashion the broad effects of sexual orientation discrimination in role model occupations well beyond its individual victims
