Clinical Cases For General Practice Exams:

Clinical Case Studies for General Practice Exams 4e Susan Wearne, 2019-08-18 Clinical Cases for General Practice Exams 4e is the ideal reference for the Australian general practice clinical examination. This fourth edition continues with the role play style of the highly regarded previous editions. Inspired by real life patient presentations, the cases allow learners to practise their clinical examination skills. Each case includes instructions for the exam candidate, role playing patient and case facilitator. The text is perfect for medical students and doctors training to be general practitioners. Features: All cases have been reviewed and updated. Problem based learning scenarios encourage critical thinking, communication and compassionate care in consultation, treatment and management. Case Commentaries and Common Pitfalls reinforce key points and important issues raised by cases. What's new: New cases on refugee health, family violence and Aboriginal and Torres Strait Islander health.

EBOOK Clinical Cases for General Practice Exams 3e Susan Wearne, 2015-08-13 Clinical Cases for General Practice Exams 3rd Edition assists candidates preparing for the Australian general practice clinical examination, an exam which all doctors must pass to practice as a General Practitioner in Australia. This third edition maintains the role play style of the successful previous editions, where students use a variety of case studies to practice their clinical examination skills. All cases from the previous edition have been revised and updated, and 16 new cases have been added. New cases cover the following topics: aged care, child health, dermatology, gastroenterology, multicultural health, musculoskeletal medicine, palliative care, professional practice, respiratory medicine, sexual health, travel medicine, and women's health. All cases include instructions for both the exam candidate and the patient, with suggested approaches as well as up to date references and further readings. The format is ideal for students, international medical graduates and general practice training programs. Clinical Cases for General Practice Exams 3rd Edition is a well regarded resource for all GP Registrars studying for their RACGP Fellowship exams, which are a mandatory requirement to be able to practice without supervision in Australia.
