LONGLISTED FOR THE PORCHLIGHT BUSINESS BOOK AWARD Social media connected the world and gave rise to fake

news and increasing polarization It is paramount MIT professor Sinan Aral says that we recognize the outsize effect social media has on us on our politics our economy and even our personal health in order to steer today's social technology toward its great promise while avoiding the ways it can pull us apart Drawing on decades of his own research and business experience Aral goes under the hood of the most powerful social networks to tackle the critical question of just how much social media actually shapes our choices for better or worse He shows how the tech behind social media offers the same set of behavior influencing levers to everyone who hopes to change the way we think and act from Russian hackers to brand marketers which is why its consequences affect everything from elections to business dating to health Along the way he covers a wide array of topics including how network effects fuel Twitter's and Facebook's massive growth the neuroscience of how social media affects our brains the real consequences of fake news the power of social ratings and the impact of social media on our kids In mapping out strategies for being more thoughtful consumers of social media *The Hype Machine* offers the definitive guide to understanding and harnessing for good the technology that has redefined our world overnight

*Terms of Service* Jacob Silverman, 2015-03-17 Social networking has grown into a staple of modern society but its continued evolution is becoming increasingly detrimental to our lives Shifts in communication and privacy are affecting us more than we realize or understand *Terms of Service* crystallizes this current moment in technology and contemplates its implications the identity validating pleasures and perils of online visibility our newly adopted view of daily life through the lens of what is share worthy and the surveillance state operated by social media platforms Facebook Google Twitter and others to mine our personal data for advertising revenue an invasion of our lives that is as pervasive as government spying Jacob Silverman calls for social media users to take back ownership of their digital selves from the Silicon Valley corporations who claim to know what's best for them Integrating politics sociology national security pop culture and technology he reveals the surprising conformity at the heart of Internet culture explaining how social media companies engineer their products to encourage shallow engagement and discourage dissent Reflecting on the collapsed barriers between our private and public lives Silverman brings into focus the inner conflict we feel when deciding what to share and what to like and explains how we can take the steps we need to free ourselves from its grip

***Tweet Cute*** Emma Lord, 2020-01-21 A fresh irresistible rom com from debut author Emma Lord about the chances we take the paths life can lead us on and how love can be found in the opposite place you expected Meet Pepper swim team captain chronic overachiever and all around perfectionist Her family may be falling apart but their massive fast food chain is booming mainly thanks to Pepper who is barely managing to juggle real life while secretly running Big League Burger's massive Twitter account Enter Jack class clown and constant thorn in Pepper's side When he isn't trying to duck out of his obscenely popular twin's shadow he's busy working in his family's deli His relationship with the business that holds his future might be love hate but when Big League Burger steals his grandma's iconic grilled cheese recipe he'll do whatever it takes to take them down one tweet at a time All's fair in love and cheese that

is until Pepper and Jack's spat turns into a viral Twitter war. Little do they know while they're publicly duking it out with snarky memes and retweet battles, they're also falling for each other in real life on an anonymous chat app Jack built. As their relationship deepens and their online shenanigans escalate, people on the internet are shipping them; their battle gets more and more personal until even these two rivals can't ignore they were destined for the most unexpected awkward all-the-feels romance that neither of them expected.
