Population-Based Nursing Ann L. Curley, Barbara A. Niedz, Alyssa Erikson, Alyssa E. Erikson, 2024-02-12. Runner up for 2020 AJN Book of the Year Award. Community Public Health. Praise for earlier edition nicely integrates epidemiological concepts, evidence based practice in population health and program development and evaluation. Authors describe epidemiological research designs, research synthesis and evidence assessment knowledge essential for advanced practice nurses working with populations or in the community. *Journal of Community Health Nursing*. Delivering essential content for APRN students focusing on population health, this award winning text addresses the nurse's role in identifying and mitigating healthcare disparities at local, national, and global levels and provides guidance on how to conduct community assessments. The substantially updated fourth edition focuses on the broad role of APRNs in today's challenging healthcare environment along with a completely new chapter on the Principles of Public and Community Health. The addition of case studies brings the content to life and explores a wider range of nursing roles. Two new editors bring a wealth of knowledge and experience to the text. Additionally, the fourth edition is updated with current national standards including the AACN Essentials and addresses implications of and lessons learned from COVID 19. The text disseminates successful strategies nurses have used to improve population outcomes and reinforces learning with a high level application of activities that require the synthesis and integration of information learned. Its strong foundation in epidemiologic methodology includes coverage of mortality measures, testing validity and reliability, study designs, risk and casualty assessment and data analysis and interpretation. This comprehensive yet succinctly written text includes engaging exercises and discussion questions to help students understand how to apply the content. New to the Fourth Edition: New chapter on Principles of Public and Community Health. Updated to reflect latest AACN Essentials, Healthy People 2030 and other national initiatives within nursing and healthcare. Discusses impact of COVID 19 with examples.

Provides case studies addressing a wider range of roles including ambulatory and acute care Focus is on APRN role in population health Adds PowerPoints to abundant instructor resources Key Features The only advanced practice text to focus on core nursing competencies in population health Incorporates a strong focus on epidemiology Breaks down complex content to foster clear understanding Reinforces information with creative thinking exercises Can serve as a primary resource for DNP Projects addressing population health *The Art of Communication* Hilda K. Weisburg,2022-10-05

Librarians will learn communication skills that help them develop as leaders build community and advocate for their libraries Librarians understand the importance of making the value of the library known to stakeholders In this informative and conversational book Hilda K Weisburg gradually builds librarians communication skills which are intrinsic to the success of library programs and services Being able to effectively communicate as a sender and receiver of messages is a vital leadership skill and librarians must master all the multi faceted ways people exchange information in order to grow as leaders Throughout the book librarians will learn communication basics and the obstacles that interfere with successful communication The chapters in part one detail the three components of communication part two prepares librarians to cope with difficult communications and part three gives librarians further techniques to ensure their messages are cohesive and strategic as they reach out to stakeholders The book s goal is for librarians to feel confident about using their newly learned communication skills for advocacy As their value to the library community grows they will be able to strategically use the relationships their communications have built to create positive change

Understanding Media Policy in the 21st Century: Affirmation, Challenge, Re-Constitution

Seamus Simpson,Manuel Puppis ,Hilde Van den Bulck,2025-10-27 Media policy plays a central role in shaping the evolution of the structure and functioning of media systems In understanding the opportunities and problems arising from the functioning of and innovation within the media sector media policy makers now face some of the greatest challenges in the history of mass and personal communication Freedman 2008 1 defines media policy as the systematic attempt to foster certain types of media structure and behavior and to suppress alternative modes of structure and behavior a process taken

part in unevenly by individual and group actors comprising institutions of government and governance firms civil society and people This challenge mirrors the one faced by scholars of media policy themselves Academic research on media policy matters reflects the complex nuanced controversial and contested character of human communication It is a dynamic and varied field constantly in search of refined and new ways of determining causal relationships characterizing complex phenomena and providing solutions to deliver better understandings of fast evolving communications environments Simpson Puppis and Van den Bulck 2016 This Research Topic invites contributions that provide a better understanding of the core range of media policy challenges faced by policy makers in the contemporary media system The following questions will be explored What are the current matters of controversy What are the core positions in key debates Who what are the main individual group actors in the debates What are the main affordances held by each party and how is this playing out in terms of the current outcome What are the likely policy outcomes and their implications in the future To what extent is the policy area in question characterized by both continuity and change What does the policy case tell us about the nature of media policy in the 2020s This Research Topic calls for contributions ranging across the media system and may focus on networks and infrastructures platforms search social media and commercial media services media content The Topic theme invites contributions that explore media policy matters from conceptual theoretical empirical and dualistic perspectives Theoretical and conceptual analyses should illuminate the position role and dynamic interplay between key actors interests and institutions of media policy Often theoretical analyses of recent and current media policy matters lead to conceptual problematization and thence new explanations that bring the state of the art forward Empirical contributions can be goods and service provider consumer user citizen regulator and state focused or any combination thereof Potential subject areas might be though are by no means limited to policies for the digital economy and commerce the changing and enduring nature of policies for telecommunications and the audiovisual sector including public service media policy responses to the challenges and problems arising from the use of artificial intelligence across media content and services policy challenges and responses in journalism media policy as an environmental matter We invite contributions with various national international regional or global focuses Contributions from cases in the Global South are particularly welcome as are articles that tackle pressing media policy matters from the perspective of equality diversity and inclusiveness *Self Help Success* Gabriel Barnes, AI, 2025-02-19 *Self Help Success* explores the booming self help industry analyzing why some books become bestsellers while others don't It examines the genre's growth the readers it attracts and the market forces at play The book reveals intriguing facts such as how a book's triumph depends not just on its content but on effectively meeting a societal need and smart marketing Did you know that publishing infrastructure and promotional strategies also significantly boost a book's chances This book uniquely uses publishing research and data to understand the industry unlike subjective analyses Starting with the historical roots of self help and moving to reader psychology it then dives into publishing acquisitions and

marketing Case studies of both hits and misses offer tangible lessons Overall Self Help Success provides a framework for authors publishers and readers to understand what makes these books succeed offering insights into self improvement and business strategies
