Earth Fall: Invasion Raymond Weil,2018-01-27 From USA Today Bestselling author of The Slaver Wars comes a new military science fiction series The Trellixian Empire was constantly expanding seeking new worlds for their ever increasing population If worlds were discovered with existing sentient populations they were cleansed to make room for colonization Hundreds of budding civilizations had been eliminated by Trellixian battle fleets On Earth years in the past a scout ship fleeing from the Trellixians crashed Scientists investigating the wreckage discovered what the Trellixians had done to the world the scout ship escaped from They also discovered it was only a matter of time before the Trellixians reached Earth A daring plan was implemented involving the major world powers They would prepare in secret for the coming of the alien invaders The only question was how could one world resist a galactic empire **The Serene Invasion** Eric Brown,2013-04-30 In 2025 the Serene arrive from Delta Pavonis V and change mankind s destiny forever The gentle aliens

bring peace to an ailing world a world riven by war terrorism and poverty by rising conflicts over natural resources and offer an end to need and violence But not everyone supports the seemingly benign invasion There are those who benefit from conflict who cherish chaos and they will stop at nothing to bring back the old days When Sally Walsh is kidnapped by terrorists and threatened with death it seems that only a miracle can save her life Geoff Allen photo journalist is contacted by the Serene and offered the opportunity to work with the aliens in their mission For Sally Geoff and billions of other citizens of Earth nothing will ever be the same again

Intruders Paul Seiple, Tracy Sharp, 2019-08-30 If the dead don't get you the aliens will Where were you when the world ended It's a question Zoe has wanted to ask someone anyone since escaping death But she doesn't have time to sit around and wait for an answer Moans from the dead remind her that death isn't far behind She has to keep moving that is until nightfall when the aliens rise from tunnels below Why are they here Why are they destroying Earth Why are the dead not dead More questions Zoe's only hope is to find Griffin Murphy a paleontologist who may have the answers If he survived the invasion Murphy is hundreds of miles away Zoe will have to fight the dead and dodge the aliens to get to the one man she's put her faith in to save what's left of the world she once knew If she dies she goes down swinging If she lives maybe she will find someone to tell her where they were when the world ended

The Trunk Linda Mooney, 2019-06-02 In the not too distant future the human population is nearly wiped out by an alien invasion Six years after the initial attack Emlee Dow isn't too worried about the continuing alien presence any longer It's the few humans left who pose a greater threat Food and supplies are hard to come by making survival an ever increasing struggle Luckily she finds refuge in an undiscovered basement room containing enough supplies to last weeks Feeling full and relatively safe Emlee decides to rest while she can She wasn't expecting her world to be turned upside down when she woke Or for the already upside down world to be flipped right side up pre destruction Thrown into the past she meets Mykail and has only days to convince him she's not crazy before history repeats itself or is it the future In these difficult and trying times it's hard to know who to trust Just when you find someone they're lost just as quickly Can love be found again in the future Or is it a thing of the past
