Instagram Influencer Secrets Charlotte Sterling, 2019-04-05

**WARNING: DO NOT READ THIS BOOK IF YOU HATE MONEY.** Want to turn your Instagram followers into DOLLARS? Are you looking to build your business on Instagram and NEED the best strategy to get started? Keep on reading. Instagram Influencer Secrets is NOT going to tell you to purchase a following or to use silly scam accounts to gain bot followers. Why? Because none of those will actually make you a REAL influencer, especially one who is going to be making money. An Influencer is a title you need to achieve. You need to earn that title because that's when you know your audience BELIEVES in you and whatever you have to say, they will listen. Okay, Instagram marketing. Got it. But where the hell do I even start? What hashtags do I use? What photos should I be sharing? Should I go follow everyone to get started? What time do I post? Do I respond to all comments? Why do some people have emails and addresses and I can't do that? If you're asking yourself all these questions, good. You're taking steps in the right direction. This isn't another cryptocurrency bandwagon you are joining. It's time you join this community of businesses who have chosen to go above and beyond traditional marketing techniques to capture a whole new audience. There is a goldmine of opportunity sitting in front of you, and I'm going to show you how to mine it. In this book, you'll learn how to create the OPTIMAL Instagram handle and username. The 1 MOST IMPORTANT thing you need before you start your Instagram journey, and it's not your profile photo. The secrets of the perfect customer profile.
