algorithmic recommendations prescribe our experiences. This network of mathematically determined choices the Filterworld has taken over almost unnoticed as we've grown accustomed to an insipid new normal. But to have our tastes, behaviours and emotions governed by computers calls the very notion of free will into question. Internationally recognized journalist and New Yorker staff writer Kyle Chayka journeys through this ever tightening web woven by algorithms. He explores how online and offline spaces alike have been engineered for seamless consumption. How the lowest common denominator is promoted at the expense of the complex, diverse or challenging. How users of technology contend with data driven equations that promise to anticipate their desires but often get them wrong. How the Filterworld is determining the very shape of culture itself. Chayka skilfully and compellingly traces this creeping machine guided curation that influences not just what culture we consume but what culture is produced. In doing so he attempts to answer to the most urgent question currently facing us is personal freedom ever again possible on the Internet. Filterworld is a fascinating history of the rise of the algorithm and an important investigation into where it could take us next if we let it.

Carbon Capture and Storage in the United Kingdom

Marc Hudson, 2024-03-27. This book is a concise but comprehensive guide to the history, present and possible futures of carbon capture and storage policy and action in the United Kingdom. UK. There have been multiple failed starts, promises and last chances for carbon capture and storage (CCS) in Europe, North America, China and Australia, but thus far it has repeatedly collided with the political and economic realities that the technology is too expensive and complicated to gain and keep policymakers' support. However, in the UK, that might be changing, with explicit government support for CCS to help decarbonise industry. Set within the broader context of global interest in CCS, this book first outlines the technologies involved in the types of capture, transport options and storage options in the UK. It then briefly introduces an overarching policy analysis framework, John Kingdon's multiple streams approach, and uses it to give an account of the long history of CCS interest and efforts in three chapters covering the 1970s to 2002, 2003 to 2015 and 2016 to the present day. Marc Hudson focusses on the various arguments made for the introduction of CCS and the slowly shifting coalitions of actors who make those arguments, while contrasting these with the perspectives of those opposed to CCS. This book will be of great interest to students, scholars and policymakers researching and working in the field, as well as the related areas of energy, policy, energy transitions and climate change.

Emerging Trends in Cloud Computing Analytics, Scalability, and

Service Models

Darwish, Dina, 2024-01-25. Academic scholars and industry professionals alike face the formidable challenge of staying informed about emerging trends and innovations in cloud computing. The expansive realm of cloud technology has been the catalyst for several transformative changes across industries, offering unparalleled opportunities for optimization and innovation. However, even seasoned experts may find themselves daunted by the intricate web of new technologies, including green cloud computing, edge computing, cryptography in the cloud, load balancing strategies and cloud analytics insights. Emerging Trends in Cloud Computing Analytics, Scalability, and Service Models provides academic scholars and

industry professionals with a comprehensive exploration of these critical cloud computing topics and more. This invaluable resource provides clarity and insight, serving as a guiding beacon in the ever-evolving world of cloud technology. Whether you're seeking to understand the intricacies of cloud security solutions, the nuances of scalability in cloud computing, or the various service models in the cloud, this book empowers you to navigate this dynamic field with confidence and expertise.

Global Innovations in Physical Education and Health Garcia, Manuel B., 2024-10-31 Addressing the worldwide crisis of inadequate physical education PE programs requires immediate attention. Despite the advocacy of international organizations like UNESCO and WHO, there still needs to be a significant gap in understanding the effectiveness of PE initiatives globally. Cultural, socio-economic, and policy differences further complicate evaluating and improving these programs. More comprehensive research is needed to promote academic achievement, well-being, and overall health. This is where *Global Innovations in Physical Education and Health* comes in, a groundbreaking solution poised to revolutionize PE on a global scale. This innovative book serves as a beacon of hope by exploring diverse teaching strategies and creative methods worldwide. Bridging critical research gaps, it empowers policymakers, educators, researchers, administrators, and health professionals with actionable insights to enhance the quality and inclusivity of PE programs. With its comprehensive coverage of topics such as adaptive PE, nutritional education, and global health initiatives, this book provides a roadmap for transforming PE into a catalyst for holistic health and lifelong well-being.

Witchcraft Jennie Woodard, 2025-08-28 From fairy tales and fiction to TikTok, the specter of the witch has cast a long shadow over women and popular culture. *Witchcraft: Gendered Perspectives* traces the history of and evolution of the term 'witch' across six centuries. Tracing the history of witchcraft from the publication of the *Malleus Maleficarum* to its contemporary representation and reclamation, this volume takes a gendered and intersectional approach to the cultural and historical shifts which have both demonized and democratized the 'witch' online and in public discourse. Amongst these are the witch trials in Scotland, England, and America. Literary and screen reimaginings of the 'witch' (The rise of Wicca as an alternative religion, *Witchcraft: Gendered Perspectives*) is an invaluable resource for graduate and undergraduate students across gender studies, queer history, religious studies, media studies, and European and North American history.

What a Way to Go Bella Mackie, 2025-10-07 Instant Sunday Times Bestseller. Wonderfully wicked. Red Magazine. A gleeful satire. Sunday Times. Ferociously entertaining. Good Housekeeping UK. With the bite of *The White Lotus* and the family dynamics of *Succession*, *What a Way to Go* is an uproarious and satirical whodunnit about people behaving badly and perhaps finally getting their just deserts from the author of the mega bestseller *How to Kill Your Family*. When Anthony Wistern died, he expected his family to make a bit more of a fuss about it. Especially after he'd died in such dramatic fashion, skewered by an exorbitantly expensive party decoration in the private lake of his Cotswold s manor house at his sixtieth birthday party, surrounded by the people for whom he most loved flaunting his wealth. And now even death has disappointed him instead of Heaven or Hell or an empty void. Anthony s soul is

stuck in a strange kind of purgatory while he tries to figure out who killed him before he is finally released from this interminably exasperating waiting room Olivia Wistern knows she should probably try to appear at least a little upset about her husband s death but she honestly can t be bothered As usual he s left behind an unbelievable mess financially socially personally that she s going to have to clean up Their four grown children will be of absolutely no help she shouldn t have let them become so hopelessly spoiled And is it just her or are the police and their murder investigation intentionally getting underfoot There s no shortage of people who hated Anthony so can t they look for a killer somewhere other than her house While the Wisterns are more concerned about the fate of their money than the fate of their patriarch one internet sleuth is highly interested in Anthony Wistern s death She isn t about to let the opportunity to create a sure to be smash true crime podcast pass by not when the murder was committed mere yards away and not when she has her own history with the victim She ll make her name and her own fortune off Anthony s death one way or another whatever it takes

Breaking Free from TikTok Addiction Starlife Aeoo,2025-04-16 Are you scrolling your life away You re not alone and this book is for you Breaking Free from TikTok Addiction is not just another self help guide It s a raw personal story of how I got trapped in the endless scroll chasing likes trends and fleeting validation and how I finally broke free I know what it s like to wake up reaching for your phone to measure your worth by views and comments and to lose hours days doing nothing I also know what it feels like to wake up one day and realize this isn t the life I want This book shares my journey from obsession to freedom from burnout to purpose Through honest reflections real life moments and practical steps I open up about the emotional rollercoaster of social media addiction and the healing that followed If you ve ever felt stuck numb or like TikTok is controlling more of your life than you d like to admit this book will speak to you Whether you want to cut back take a break or quit for good you ll find hope and guidance in these pages This is not about judgment It s about freedom Let s take back your time your focus your peace together

Feeling Good! Kojo Sarfo, 2022-12-06 Develop a healthy outlook on life and assess your own mental health with this informative guided workbook to staying positive and living life to the fullest no matter what you're going through Do you struggle with stress worry anxiety or depression The Feeling Good workbook is here to help you take control of your mental health once and for all so you can start finding healthy ways to cope and improve your overall outlook With prompts lists activities and more you can learn why different types of mental health disorders exist and determine if you should seek a diagnosis You'll learn healthy strategies for dealing with mental illness process difficult emotions and map out ways to help you feel happier more confident and more fulfilled in life With expert advice from Dr Kojo Sarfo you'll toss the stigma have fun completing exercises as you learn positive mental health and best of all accept yourself for who you are No matter what mental health struggles you're facing you are not alone It's time to come face to face with your mental health with Feeling Good The Gospel of Wellness Rina Raphael, 2022-09-20 Next level revelatory Sarah Knight New York Times bestselling

author of The Life Changing Magic of Not Giving a F ck Excellent Rina really knows her shit I m so thankful for this book Jameela Jamil actress and host of I Weigh Journalist Rina Raphael looks at the explosion of the wellness industry how it stems from legitimate complaints how seductive marketing targets hopeful consumers and why women are opening up their wallets like never before Wellness promises women the one thing they desperately desire control Women are pursuing their health like never before Whether it s juicing biohacking clutching crystals or sipping collagen today there is something for everyone as the wellness industry has grown from modest roots into a 4 4 trillion entity and a full blown movement promising health and vitality in the most fashionable package But why suddenly are we all feeling so unwell The truth is that deep within the underbelly of self care hidden beneath layers of clever marketing wellness beckons with a far stronger more seductive message than health alone It promises women the one thing they desperately desire control Vividly told and deeply reported The Gospel of Wellness reveals how this obsession is a direct result of women feeling dismissed mistreated and overburdened Women are told they can manage the chaos ruling their life by following a laid out plan eat right exercise meditate then buy or do all this stuff And while wellness may have sprung from good intentions we are now relentlessly flooded with exploitative offerings questionable ideas and a mounting pressure to stay devoted to the divine doctrine of wellness What happens when the cure becomes as bad as the disease With a critical eye humor and empathy wellness industry journalist Rina Raphael examines how women have been led down a kale covered path promising nothing short of salvation She knows Raphael was once a disciple herself trying everything from clean eating to electric shock workouts until her own awakening to the troubling consequences Balancing the good with the bad The Gospel of Wellness is a clear eyed exploration of what wellness can actually offer us knocking down the false idols and commandments that have taken hold and ultimately showing how we might shape a better future for the movement and for our well being

Self-help ,1887

A Self Help Book for

Christian Teen Girls Skriuwer Com,2025-01-08 A Self Help Book for Christian Teen Girls is a helpful guide made for teenage girls who want to grow in faith and self confidence It shows that your worth comes from God not from social media or other people s opinions Each chapter teaches clear and basic steps you can use in everyday life covering things like stress friendships and trusting God with your goals You will find ideas for building strong family connections choosing good friends and staying pure in heart and mind The book also covers important habits like smart technology use careful planning for the future and ways to stay calm when things get hard Its simple tips and real life examples make these lessons easy to follow Through personal stories and biblical truths this book reminds you that God cares deeply about your life and growth You can learn ways to handle worries keep healthy relationships and set goals that honor God By reading and applying these insights you will gain confidence and discover the power of a strong faith that lights your path forward

Self Help Success

Gabriel Barnes,AI,2025-02-19 Self Help Success explores the booming self help industry analyzing why some books become bestsellers while others don t It examines the genre s growth the readers it attracts and the market forces at play The book

reveals intriguing facts such as how a book's triumph depends not just on its content but on effectively meeting a societal need and smart marketing. Did you know that publishing infrastructure and promotional strategies also significantly boost a book's chances? This book uniquely uses publishing research and data to understand the industry unlike subjective analyses. Starting with the historical roots of self-help and moving to reader psychology, it then dives into publishing acquisitions and marketing. Case studies of both hits and misses offer tangible lessons. Overall, *Self Help Success* provides a framework for authors, publishers, and readers to understand what makes these books succeed, offering insights into self-improvement and business strategies.

TikTok for Sales Josué Matos, In the ever-evolving digital landscape where trends shift at the speed of a click, few platforms have reshaped the sales and marketing game quite like TikTok. What initially seemed like a space for fun and creative videos has become a powerful tool for brands seeking authentic connections with their consumers. Far from being a passing trend, TikTok represents a revolution in how products and services are promoted and sold online. This is the second book in a series designed to explore the potential of social media platforms for sales. While the first volume, *Instagram for Sales: Strategies to Convert Followers into Customers*, focused on a well-established platform known for its visual and interactive appeal, this book dives into a dynamic and opportunity-rich terrain. *TikTok for Sales: Viral Strategies for Growth and Conversion* is an essential guide for anyone looking to harness the viral power of TikTok, transforming creativity into real conversions. With over 150 million active users in the United States alone and a global user base exceeding 1 billion, TikTok is not just a social network but a global stage where brands can shine by telling their stories in engaging and innovative ways. Through trends, challenges, short videos, or live streams, TikTok offers endless possibilities for entrepreneurs of all sizes to stand out in today's competitive market. In this book, I've explored every aspect of the platform from setting up an attractive business profile to advanced sales strategies and performance analysis. Organized into 30 chapters, the content is tailored for both beginners and seasoned professionals, providing valuable and practical insights. You'll learn how to navigate TikTok's algorithm, create engaging content, leverage features like TikTok Shopping and hashtags, and build partnerships with creators to maximize your sales. As a digital marketing professional inspired by my international journey, I bring a global perspective to this work. My name is Josué Matos, author of over 50 books including *Rich Uncle Poor Nephews* and *The Art of Reinvention*. With a decade of experience in digital platforms and a Bachelor's degree in Advertising, Marketing, and Communications underway, I have dedicated my career to helping entrepreneurs succeed in the digital world. My travels across Northern Ireland, Canada, and the United States have broadened my outlook and enabled me to develop innovative strategies which I share with you in this book. Get ready to discover how to turn creativity into conversions, trends into sales, and followers into loyal customers. Welcome to a new era of sales on TikTok. Together, let's explore this dynamic platform and take your business to the next level.
