Social Buzz Space Opera Saga

Robert R. Redfield

Social Buzz Space Opera Saga:

The Excalibur Knights Saga Omnibus Luke Mitchell, 2022-10-21 This isn't your grandma's King Arthur story. Nate Arturi isn't a knight in shining armor. He sure as hell isn't a king. The last time someone called him heroic it was because he fetched his neighbor's corgi off the roof. But when an ancient alien beacon awakens on Earth, sounding the call to enemies near and far, the Merlin is left with little choice. Ambushed by a hulking alien brute and tricked into accepting a foul-mouthed sword from a homeless wizard, Nate suddenly finds his senior year at Penn State more than a little out of hand. But when an armada of butt-ugly troglodans and exotic gorgon killers starts raining from the sky, one thing becomes inescapably clear: Unless he mans up and gets that damned beacon off of his planet, everything he knows is about to be burned to a crisp. And that's only the beginning of the galaxy's problems. Welcome to the Excalibur Knights Saga, a sprawling Arthurian space opera that follows the rise of Ser Nathaniel Arturi from reluctant and frankly terrible hero to the stuff of legends. If you love action-packed science fiction, snarky AI companions, and radical character growth, then secure your crash couches and prepare for 1,800 pages of epic sci-fi adventure. Included in the set: The Eighth Excalibur Book 1: The Black Knight Book 2: Spoils of War Book 3: Plus the following Excalibur Knights shorts, novelette, and serial: Flight of the Huntress, The Last Good Boy, The Complete Meyerwitz Logs, The Leftovers, Parts 1-4. **Customer Relationship Management** V. Kumar, Werner Reinartz, 2018-05-15 This book presents an extensive discussion of the strategic and tactical aspects of customer relationship management as we know it today. It helps readers obtain a comprehensive grasp of CRM strategy, concepts, and tools, and provides all the necessary steps in managing profitable customer relationships. Throughout the book, stresses a clear understanding of economic customer value as the guiding concept for marketing decisions. Exhaustive case studies, mini-cases, and real-world illustrations under the title CRM at Work all ensure that the material is both highly accessible and applicable, and help to address key managerial issues, stimulate thinking, and encourage problem-solving. The book is a comprehensive and up-to-date learning companion for advanced undergraduate students, master's degree students, and executives who want a detailed and conceptually sound insight into the field of CRM. The new edition provides an updated perspective on the latest research results and incorporates the impact of the digital transformation on the CRM domain.

ZeQuest explores the nature of a selfish world where nothing is ever what it seems to be Book 2 of the 1 Bestselling Space
Opera Series The Quest Saga Author interview Q So what makes the Quest Saga so special A What makes this series special is
that it dares to go beyond cultural norm and fuse together fantasy and science fiction an ideal that only Star Wars has pulled
off so far Overall this is an action packed adventure that promises to be exciting and thrilling on every single page and I've
made sure there's never a dull moment Q What kind of series is the Quest Saga A It's a mix of things basically which makes it
really hard to select a proper genre for it I'd say it's primarily a Young Adult Space Opera book That makes you think it's
Science Fiction which is partly true but this book has strong elements of Paranormal fantasy which is initially weird to think
about I was very worried if people would like books which fused together dominant elements of both Fantasy and Science
Fiction in a Space Opera Space Exploration world Then Scott Terry a NYT bestselling author of the Young Adult Science
Fiction Series The Game is Life told me he read my books and said it resembled Star Wars a lot First of all that was an
amazing comment to get from a Action Adventure Author like him and then there's the added advantage of finally figuring
out a niche for my book So now instead of calling it a Young Adult Space Opera I'll be calling it The book that resembles Star
Wars or maybe A young adult Dystopian space opera Q Why should readers give these books a try A Well I'd say if someone
wanted a quick easy read with action packed adventures this is the novel for them Most people love space exploration
adventures and this one combines them with another amazing story tool magic So if you want to know what would happen if
magic existed in a high tech space world this is the book for you Q How many books are in the Quest Saga A I've planned this
out to be a series of five books So far there are three stories and I'm actively writing the next two in the series ConQuest Get
