*Performing Contemporary Childhoods* Bryoni Trezise, 2023-09-22 Performing Contemporary Childhoods Being and Becoming a Viral Child examines the changing nature of contemporary childhoods by exploring how children s and young people s digital media create new ideas about youth agency Visual cultures of childhood have been traditionally traced in photography Material cultures of childhood have been likewise traced in archives scripts and even toys This book shows that performance cultures and their digital literacies expressed in viral forms such as TikTok dance challenges tweets and viral GIFs create new ideas about childhood by positioning young people as authors and owners of their self representations With the global pandemic in its immediate backdrop the book finds that reshaped social relations and a context of crisis in our political social and ecological realms cultivate nostalgia for ideals of innocent childhood that only promise to be disrupted by the complex ambiguous and ultimately resistive acts young people appear to generate for and about themselves This book is ideal for students and scholars of childhood studies performance studies social and cultural history and visual and digital culture

Embrace Desire Connie riker, SMASH THE PATRIARCHY WITH YOUR PLEASURE OR STAY SILENT AND OBEY Are you exhausted from pretending men s desires matter Sick of romance tropes where you re just a conquest Ready to weaponize your lust against male oppression This book arms you with forbidden truth Turn power dynamics into female domination tools Make consent about your control not his comfort Forbidden relationships that break male written rules Sexual liberation as a war cry against oppression Expose toxic masculinity as men s self made trap Abortion your sacred right a Satanic sacrament Drain male resources as reparations you deserve it Never apologize for your supremacy If you want to crush patriarchy under your heel while claiming every orgasm

as victory buy this book today    [\*\*Latin Dance Boom\*\*](#) Rebecca Murphy, AI, 2025-02-24 Latin Dance Boom explores the fascinating journey of Latin dance styles like salsa and tango from their cultural origins to global phenomena. The book highlights how these dances transformed from local traditions into worldwide sensations driven by migration, media influence and their adoption as powerful expressions of identity. For instance, the significant diasporas of Latin American communities to cities such as New York and Miami played a crucial role in disseminating these dance forms. The book examines the historical evolution, socio-cultural factors and commercialization of Latin dance, providing a comprehensive analysis of its globalization. It progresses by first introducing key dance styles and their origins, then detailing their spread through migration and media. Examining the roles of dance studios, competitions and social media, Latin Dance Boom then assesses the current state of Latin dance, addressing issues of authenticity and commercialization. This approach offers readers a nuanced understanding of how historical forces, cultural exchanges and commercial interests have shaped the global popularity of Latin dance.

**The Palgrave Handbook of Disability and Communication** Michael S. Jeffress, Joy M. Cypher, Jim Ferris, Julie-Ann Scott-Pollock, 2023-03-29 The Palgrave Handbook of Disability and Communication covers a broad spectrum of topics related to how we perceive and understand disability and the language constructs, constraints and communication behavior that shape disability discourse within society. The essays and original research presented in this volume address important matters of disability identity and intersectionality, broader cultural narratives and representation, institutional constructs and constraints, and points related to disability justice advocacy and public policy. In doing so, this book brings together a diverse group of over 40 international scholars to address timely problems and to promote disability justice by interrogating the way people communicate not only to people with disabilities but also how we communicate about disability and how people express themselves through their disabled identity.
