The Untamed Witch

Lidia Pradas, 2022-10-18 Personalized magick is the most powerful magick. The Untamed Witch empowers you to use your own instincts, intuition, and personal environment in your witchcraft. Witchcraft is not one defined, arbitrary path. Rather, it is a diversity of practices that you can curate and align with, based on your lifestyle and unique gifts. Moreover, those practices are not meant to be done the same way by every witch. Someone else's love spell is how they conjure love. Why use lavender in a ritual if it isn't native to your surroundings or you simply don't like it? This guide gives you the insight and tools to undomesticate your craft from formulaic to inspired practice. The Untamed Witch also outlines tools and practices to access the subconscious, how to work with the life-death-rebirth cycle, how to use elemental and land witchcraft, ancestry work, and communicating with spirit guides and entities. With this book at your side, learn to use your instincts to rewild your magick.

This book traces the figure of the witch through American screen history with an analysis of the entertainment industry's shifting boundaries concerning expressions of femininity.
