Hi I'm HelloGreedo I started a Star Wars YouTube channel in 2011 and now I wrote a book Writing Sorry About The Mess was a happy accident In 2016 I enrolled in two college classes that had a four hour break between them My goal was to use those four hours to work on scripts and videos for my YouTube channel While I did hash out a lot of videos during that break I also began typing random thoughts chronicling some life experiences and cataloging opinions on various subjects Over the past three years whenever I felt like it I would add to the book Slowly but surely those random thoughts formed into semi cohesive chapters and those chapters became this book Sorry About The Mess is a lot like my live streams random and all over the place I have a habit of ping ponging from topic to topic This book ended up being more personal than I originally anticipated If you're looking for 200 pages of nothing but a Star Wars discussion you might want to look elsewhere In Sorry About The Mess you'll follow me on a journey through fandom fatherhood the United States Navy clickbait social media and much more I named it Sorry About The Mess for a reason I should have hired an editor Chapters The Origin Story Why Star Wars Clickbait Social Media YouTube My Top Ten Movies The United States Navy Video Games Being a Dad Supporter Q A In Closing
