Healing Trauma Guide Hardcover:

Tools for Transforming Trauma Robert Schwarz, 2013-05-13 Tools for Transforming Trauma provides clinicians with an integrative framework that covers a wide range of therapeutic modalities and a black bag full of therapeutic tools for healing trauma patients

Healing Trauma Kitty K. Wu, Catherine S. Tang, Eugenie Y. Leung, 2011-04-01 This is the first book written on clinical research and work related to the development of applied trauma psychology in Hong Kong. Contributed by numerous reputable researchers and clinicians, the book covers the latest research on and practice in assessment, psychological sequel including psychological distress and growth of traumatic experience, evidence-based clinical intervention and rehabilitation services for people affected by various traumatic stresses. Discussed in detail are interpersonal trauma like child sexual abuse and family violence, health and medical trauma such as infectious disease and the pain related to end of life, mass trauma and disaster including community psychological support programme developed in Hong Kong and Sichuan, as well as the rationale for mainstreaming trauma training in university education. This book serves to strengthen the link between research and practice and between academic work and community awareness. It is a guidebook for professionals serving the traumatized, academics dedicated to research and development of trauma psychology, students learning and educators passing on the existing knowledge and experience accumulated for healing trauma.

Healing from Trauma Jasmin Lee Cori, 2009-02-23 A psychotherapist and trauma survivor offers insight and self-care tools for PTSD, depression, substance abuse, and other trauma-related difficulties. There are many different approaches to healing from trauma. In this compassionate and practical guide, Jasmin Lee Cori offers a wide range of perspectives and options so that you can find what's right for you. With innovative insight into trauma-related difficulties, Cori helps you understand trauma and its devastating impacts. Identify symptoms such as dissociation, numbing, and mental health problems. Manage traumatic reactions and memories. Create a more balanced life that supports your recovery. Choose appropriate interventions. Recognize how far you've come in your healing and what you need to keep growing and more. Complete with exercises, healing stories, points to remember, and resources, this is a perfect companion for anyone seeking to reclaim their life from the devastating impacts of trauma.

Emotionally Focused Couple Therapy with Trauma Survivors Susan M. Johnson, 2011-11-03 This book provides a theoretical framework and a practical model of intervention for distressed couples whose relationships are affected by the echoes of trauma. Combining attachment theory, trauma research, and emotionally focused therapeutic techniques, Susan M. Johnson guides the clinician in modifying the interactional patterns that maintain traumatic stress and fostering positive healing relationships among survivors and their partners. In-depth case material brings to life the process of assessment and treatment with couples coping with the impact of different kinds of trauma, including childhood abuse, serious illness, and combat experiences. The concluding chapter features valuable advice on therapist self-care.

Healing Trauma David Reyes, 2021-01-17. There are events in life that simply paralyze us. The burden becomes so heavy that it seems impossible to move forward and we come to think that no one can help us. If you are one of this kind of people, then read on. 3 books in 1 contains a set of proven, totally effective tools that will help you deal with the consequences of overcoming traumatic events and anxiety. Trauma Treatment Toolbox, EMDR Therapy Toolbox, Stop Anxiety are great books written by David Reyes; this time you can find them in one package. Is it possible to overcome the consequences of traumatic events? Anxiety, stress, shock, blockage, depression, fear, denial, shame, irritability, eating disorders, difficulty relating to others. These are some of the symptoms or consequences of having experienced a traumatic event. All of this is due to alterations on a psychological and emotional level. However, is it possible to overcome the consequences of traumatic experiences? The answer is yes. There are very effective therapies that have helped thousands of people in the world to overcome their traumas and keep living with total balance and normality. One of the best known is EMDR (Eye Movement Desensitization and Reprocessing). With this technique, people learn to work specifically on their traumatic memories in such a way that they no longer influence their current behavior. Discover how to overcome the consequences of traumatic events in your life by reading the ideal content: 3 books in 1: Trauma Treatment Toolbox, EMDR Therapy Toolbox, Stop Anxiety. Why read this fabulous 3-book-in-1 package? The books written by David Reyes do not just contain words of hope; they contain effective tools that work. Some of the most important points you will receive are: Recognize the symptoms of anxiety and how to overcome them; Find psychological, physical, and emotional balance; Healing Your Childhood Trauma; Knowing an effective toolkit for dealing with trauma; Practice with EMDR therapy and leave traumatic memories behind; Continue your life in a healthy way; Building effective interpersonal relationships; And much more. Maybe you are used to comments like: "Learn to live with that; maybe you are just overreacting" or "look at that person who lived the same things and is not like you." You cannot cover up what you feel; you cannot force yourself to act in a way you do not feel. Therefore, you need to identify with name and surname these symptoms and attack them at the root. If it is possible to have a stable and happy life, do not continue in the dark; it is time to come to light and shine.
