## Readers Choice Healing Trauma Guide:

Healing and the Healer George F. Cairns, Lawrence Avery Pottenger, Nancy U. Cairns, 1996      **Clinical Problem Solving in Orthodontics and Paediatric Dentistry E-Book** Declan Millett, Peter Day, 2016-10-18 Clinical Problem Solving in Orthodontics and Paediatric Dentistry third edition provides a unique step by step guide to differential diagnosis and treatment planning. The popular Clinical Case format helps readers combine different dental procedures into a rational plan of treatment for patients who may have several dental problems requiring attention. This is a third edition of a hugely successful practical resource in orthodontics and paediatric dentistry which is ideal for undergraduate dental students and postgraduates preparing for the MJDF and similar exams. Useful Clinical Case format promotes a logical approach to problem solving through history taking, clinical examination and diagnosis. Contains approximately 350 photographs, 50 line artworks and 40 tables. Provides two different approaches to the Clinical Cases: some topics include scenarios with questions and answers; others include differential diagnosis with a focus on how to plan and manage treatment effectively. Key point boxes systematically emphasise core knowledge, assessment and treatment approaches. Useful Mind Maps provide a focused framework for learning and revision. Thoroughly updated text with over 140 new clinical images. New orthodontic sections covering classification and definitions, referral guide, implications of some medical problems together with further information on CBCT and TADs, protraction facemask treatment, management of non nutritive sucking habits and retainer types and problems. New authorship to paediatric dentistry section provides comprehensive text revision. New paediatric dentistry Clinical Cases address behavioural problems in the child and adolescent, the treatment of children with learning difficulties and physical disability, as well as providing coverage of common medical problems in children and assessment of dental trauma. Updated reading lists include Cochrane reviews.

*Bibliotherapy in the Bronx* Emely Rumble, 2025-04-29 Discover how a love of books can foster community understanding and personal growth. *Bibliotherapy in The Bronx* by Emely Rumble, LCSW is a groundbreaking exploration of the healing power of literature in the lives of marginalized communities. Drawing from her personal and professional experiences, Rumble masterfully intertwines storytelling with therapeutic insights to reveal how reading can be a potent tool for self-discovery, emotional transformation, and social change. In this transformative work, Rumble offers readers an intimate glimpse into her journey as a psychotherapist in the Bronx, where she has spent over 14 years using books to help clients navigate complex emotions, heal from trauma, and find their voices. Through vivid anecdotes and real-world case studies, she demonstrates how literature can serve as a bridge between personal pain and collective healing. Rich with practical tips, reflective exercises, and book recommendations, *Bibliotherapy in The Bronx* is a valuable resource for anyone interested in the power of words to change lives. Whether you're a therapist, educator, bibliophile, or simply someone seeking deeper understanding and growth, this book offers a compassionate, culturally affirming guide to the transformative potential of storytelling. Rumble's work is a testament to the enduring power of books to

heal empower and liberate In a time when the world feels increasingly divided Bibliotherapy in The Bronx reminds us that the stories we tell and the stories we read can unite us in our shared humanity **Therapeutic Exercise** Carolyn Kisner,Lynn Allen Colby,John Borstad,2017-10-18 Here is all the guidance you need to customize interventions for individuals with movement dysfunction You ll find the perfect balance of theory and clinical technique in depth discussions of the principles of therapeutic exercise and manual therapy and the most up to date exercise and management guidelines

**Executive Selection** David L. DeVries,1993 This report an expanded version of the working document that anchored the 1992 Center for Creative Leadership conference on executive selection summarizes and evaluates the contributions of research and practice to the understanding of how to choose the most effective leaders for organizations Following a brief look at the realities of organizational performance that have led to the growing interest in executive selection an overview of executive selection is presented in the form of nine observations Each observation is comprised of a literature review and recommendations to improve practice The observations are summarized as follows 1 There is much new research from the last 30 years to help increase the odds of picking successful executives 2 corporate executives are not using personnel selection tools 3 a holistic context rich approach is most significant 4 opportunities for managerial growth should be maximized throughout the careers of all candidates 5 more accurate and detailed performance measures of how executives perform must be developed 6 assessment models must be appropriate to the 21st century 7 hiring external candidates poses risks to both the candidate and the organization 8 organizations must promote diversity in leadership by including women and people of color and 9 there is a need to get past ennui and miscommunication about executive selection Appendices contain a list of the conference s principal speakers definitions and list of further questions Contains 108 references LMI

Choice ,2006 *Understanding Dissociative Identity Disorder* Lindsay Schofield,2022-02-28 This beautifully illustrated picture book and guidebook set offers a broad introduction to childhood trauma and its legacies with a focus on dissociation and DID Written with clinical accuracy warmth and accessibility to individuals of all ages and backgrounds it provides a non threatening understanding of dissociation and DID that will empower survivors and educate the friends family and professionals who want or need to learn more about the condition The set includes Our House Making Sense of Dissociative Identity Disorder a simple and accessible picture book that uses the metaphor of a house to explain how and why DID can develop Additional guidance accompanies the story explaining the metaphor in depth offering advice regarding dissociative disorders and signposting further help for both individuals and professionals Understanding Dissociative Identity Disorder A Guidebook for Survivors and Practitioners provides practical exercises and opportunities for reflective discussion that will expand and deepen the understanding application and usefulness of the picture book This resource is accompanied by downloadable resources This is an invaluable resource for survivors of trauma and for those who support them counsellors psychologists social care workers and other professionals as well as family and friends **Using the Bowen Technique to**
