### **Green Transition Impacts on the Economy, Society, and Environment** Yıldırım, Seda, Yıldırım, Durmuş

Cağrı, Demirtaş, İşıl, Kandpal, Vinay, 2024-08-14 The challenge of achieving sustainability is complex and multifaceted with varying approaches and policies across different countries and industries. This lack of universal standards poses a significant obstacle to the global transition towards a sustainable future. The COVID 19 pandemic has further exacerbated these disparities highlighting the urgent need for cohesive and practical sustainability strategies. What sets Green Transition Impacts on the Economy Society and Environment apart is its comprehensive and unique solution to this pressing issue offering a unified framework for sustainability that can be applied across diverse contexts. By gathering insights and approaches from researchers worldwide this book provides a holistic view of sustainability addressing critical issues such as climate change energy security and social responsibility. It offers practical solutions and case studies demonstrating effective strategies for achieving sustainability goals. Through this approach the book aims to equip policymakers practitioners and researchers with the knowledge and tools needed to navigate the complexities of sustainability in the 21st century.
