With compassion and clarity, Keehn provides practical strategies rooted in behavioural science to help readers navigate setbacks, protect their families, and make informed choices about wealth and legacy. Whether you're part of Gen Z navigating record debt and an uncertain job market, a Millennial striving to build wealth without owning property, a Gen Xer balancing kids and aging parents, or simply someone ready to finally take control, **Save Yourself** offers the tools, mindset shifts, and inspiration to move past harmful money myths and create lasting security in a changing world.
