Scholarship Girl Kat Cotton,2020-09-10 Shadow Academy has many secrets and I m one of them Plucked from foster care and offered a scholarship to an elite school I figured I had it made It didn t take long to discover how this school worked Scholarship kids at the bottom of the heap and way at the top Ren Worthington With his breath taking good looks

and bottomless pits of family money you'd think he'd have better things to do than bully us poor kids. Not so Ren and the other human students live their lives unaware of the creatures lurking in the dark. I wasn't given that scholarship just for my academic skills. We're all half-bloods and freaks: fae, witch, shifter, demon. In return for our free ride, we protect the rich brats from paranormal dangers. When one student goes missing and Ren's life is threatened, I get made an offer: Become Ren's tutor, bodyguard, and my future is assured. But if Ren dies or discovers what I am, I'm out of here. As if he'd discover what I am, I don't even know myself. I'm weak and powerless, but they want me for the job. Who knows why I don't want to get close to Ren? I don't want to get to know him, and I sure don't want to succumb to his charms, but I have no choice. And I discover things aren't what they seem on the surface. Shadow Academy has many secrets, and maybe Ren is one of them. **Magic Unseen** J S Diaz, 2020-09

Apparently magic is a thing. Not the wand and cape kind, but the thunderstorm-causing when you're in a bad mood kind of magic. There I was, turning eighteen, about to age out of the system, when a stranger showed up with an offer: Go and join other people like me, or continue living my sad little life. With nothing to lose, he had me. At other people like me. So I'm here in middle-of-nowhere Alaska, learning to control my powers at a place dubbed Exile Academy. I'm navigating a competitive new world, but at least I've made friends with a Death Walker and a Diviner. The jury is still out on whether my romantic entanglement with a tough girl, Transmute, is a good idea. The more I learn about our history, the more I realize they aren't telling us everything. Why did our ancestors leave our homeland? Was it really a natural disaster that scattered them, or something more? Now that I've scratched the surface, there's no way I'm going to stop digging until I find the truth, not even when my life is threatened. With the help of new friends and rivals alike, it's time we shed some light on the secrets lurking beneath the surface. You'll never believe what we uncovered.

**Magic Unseen** is the first installment in the Exile Academy series, a YA/NA Urban Fantasy Supernatural Academy series. If you love bad-ass girls who can tap into nearly extinct magic, a diverse cast of characters, and a fresh take on magical boarding schools, you'll love this brand-new series. *Arts Digest*, 1954
