Each of the fifty chapters explores a single concept through story reflection and provocative open ended questions designed to spark conversation between ministers and mentors among ministry peers or for personal journal reflections. The book provides a framework for understanding ministry as an embodied relational integrative and spiritual practice. Pastoral Imagination is closely integrated with the author's Three Minute Ministry Mentor web resource which introduces the topics in the book through brief video presentations. The book serves as a coaching guide and a ministry mentor in its own right by expanding on these topics through the author's reflections observations and questions. Addressing the importance of the practice of ministry Campbell Reed states Ministry itself like most professions and complex practices is dogged and driven by a rush to achieve.
