algorithms changed culture Chayka asks what is taste What is a sense of aesthetics And what happens to it when it collides with the homogenizing digital reality in which we now live Ezra Klein From trendy restaurants to city grids to TikTok and Netflix feeds the world round algorithmic recommendations dictate our experiences and choices The algorithm is present in the familiar neon signs and exposed brick of Internet cafes be it in Nairobi or Portland and the skeletal modern furniture of Airbnbs in cities big and small Over the last decade this network of mathematically determined decisions has taken over almost unnoticed informing the songs we listen to the friends with whom we stay in touch as we ve grown increasingly accustomed to our insipid new normal This ever tightening web woven by algorithms is called Filterworld Kyle Chayka shows us how online and offline spaces alike have been engineered for seamless consumption becoming a source of pervasive anxiety in the process Users of technology have been forced to contend with data driven equations that try to anticipate their desires and often get them wrong What results is a state of docility that allows tech companies to curtail human experiences human lives for profit But to have our tastes behaviors and emotions governed by computers while convenient does nothing short of call the very notion of free will into question In Filterworld Chayka traces this creeping machine guided curation as it infiltrates the furthest reaches of our digital physical and psychological spaces With algorithms increasingly influencing not just what culture we consume but what culture is produced urgent questions arise What happens when shareability supersedes messiness innovation and creativity the qualities that make us human What does it mean to make a choice when the options have been so carefully arranged for us Is personal freedom possible on the Internet To the last question Filterworld argues yes but to escape Filterworld and even transcend it we must first understand it

The Gospel of Wellness Rina

Raphael, 2022-09-20 Next level revelatory Sarah Knight New York Times bestselling author of The Life Changing Magic of Not Giving a F ck Excellent Rina really knows her shit I m so thankful for this book Jameela Jamil actress and host of I Weigh Journalist Rina Raphael looks at the explosion of the wellness industry how it stems from legitimate complaints how seductive marketing targets hopeful consumers and why women are opening up their wallets like never before Wellness promises women the one thing they desperately desire control Women are pursuing their health like never before Whether it s juicing biohacking clutching crystals or sipping collagen today there is something for everyone as the wellness industry has grown from modest roots into a 4 4 trillion entity and a full blown movement promising health and vitality in the most fashionable package But why suddenly are we all feeling so unwell The truth is that deep within the underbelly of self care hidden beneath layers of clever marketing wellness beckons with a far stronger more seductive message than health alone It promises women the one thing they desperately desire control Vividly told and deeply reported The Gospel of Wellness reveals how this obsession is a direct result of women feeling dismissed mistreated and overburdened Women are told they can manage the chaos ruling their life by following a laid out plan eat right exercise meditate then buy or do all this stuff And while wellness may have sprung from good intentions we are now relentlessly flooded with exploitative offerings questionable ideas and a mounting pressure to stay devoted to the divine doctrine of wellness What happens when the cure becomes as bad as the disease With a critical eye humor and empathy wellness industry journalist Rina Raphael examines how women have been led down a kale covered path promising nothing short of salvation She knows Raphael was once a disciple herself trying everything from clean eating to electric shock workouts until her own awakening to the troubling consequences Balancing the good with the bad The Gospel of Wellness is a clear eyed exploration of what wellness can actually offer us knocking down the false idols and commandments that have taken hold and ultimately showing how we might shape a better future for the movement and for our well being

TikTok for Sales Josué Matos, In the ever evolving digital landscape where trends shift at the speed of a click few platforms have reshaped the sales and marketing game quite like TikTok What initially seemed like a space for fun and creative videos has become a powerful tool for brands seeking authentic connections with their consumers Far from being a passing trend TikTok represents a revolution in how products and services are promoted and sold online This is the second book in a series designed to explore the potential of social media platforms for sales While the first volume Instagram for Sales Strategies to Convert Followers into Customers focused on a well established platform known for its visual and interactive appeal this book dives into a dynamic and opportunity rich terrain TikTok for Sales Viral Strategies for Growth and Conversion is an essential guide for anyone looking to harness the viral power of TikTok transforming creativity into real conversions With over 150 million active users in the United States alone and a global user base exceeding 1 billion TikTok is not just a social network but a global stage where brands can shine by telling their stories in engaging and innovative ways Through trends challenges short videos or live streams TikTok offers

endless possibilities for entrepreneurs of all sizes to stand out in today's competitive market. In this book, I've explored every aspect of the platform from setting up an attractive business profile to advanced sales strategies and performance analysis. Organized into 30 chapters, the content is tailored for both beginners and seasoned professionals, providing valuable and practical insights. You'll learn how to navigate TikTok's algorithm, create engaging content, leverage features like TikTok Shopping and hashtags, and build partnerships with creators to maximize your sales. As a digital marketing professional inspired by my international journey, I bring a global perspective to this work. My name is Josu Matos, author of over 50 books, including *Rich Uncle Poor Nephews* and *The Art of Reinvention*. With a decade of experience in digital platforms and a Bachelor's degree in Advertising, Marketing, and Communications underway, I have dedicated my career to helping entrepreneurs succeed in the digital world. My travels across Northern Ireland, Canada, and the United States have broadened my outlook and enabled me to develop innovative strategies, which I share with you in this book. Get ready to discover how to turn creativity into conversions, trends into sales, and followers into loyal customers. Welcome to a new era of sales on TikTok. Together, let's explore this dynamic platform and take your business to the next level.
