The Alien Invasion (Classic Reprint) W. H. Wilkins, 2017-09-17 Excerpt from The Alien Invasion My object in writing this little book has been to collect together in a popular and readable form the main facts connected with the question of destitute immigration I have endeavoured to set forth as concisely as possible the evils consequent upon our present system and to place before the public the leading arguments in favour of some moderate and judicious restriction of the influx of the destitute and worthless of other countries In doing so I have studiously avoided identifying this important question with any particular party or any particular creed It is a matter which concerns the nation as a whole and it is one in which men of all creeds and parties Jew or Christian Liberal or Conservative may unite together for good The advisability of restricting our present system of unchecked destitute immigration is a matter upon which there exists considerable difference of opinion In giving expression to my earnest convictions I ask for that same indulgence which I willingly extend to those who may differ from my conclusions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
