Crystalotherapy Manual:

Touchstones: Manual for the Crystal Therapist Lauren D'Silva, 2013-08-08 Touchstones Manual for the Crystal Therapist is essential reading for anyone who loves crystals whether you are training as a Crystal Therapist or an enthusiastic hobbyist. This user friendly manual will also assist qualified Therapists looking for new ideas and techniques. The Manual has been written to support the core curriculum of the Affiliation of Crystal Healing Organisations ACHO and is the text book for the first year Certificate in Crystal Therapy from Touchstones School of Crystal Therapy. The Manual represents Lauren's experience of teaching Crystal Therapy to professional standards for over a decade. At time of publication she is the Secretary of ACHO.

The Healing Crystals First Aid Manual Monika Grundmann, Michael Gienger, 2010-09-17 From acne and cataracts to sprains and vomiting this reference lists more than 100 medical conditions and describes the physical symptoms, psychological ramifications and correct healing gemstones for each. The most effective form of the gem is specified, a polished pocket stone rather than a necklace for example and in some cases more than one kind of crystal is described to be effective. A comprehensive appendix with color photos of all prescribed gemstones, a guide to assembling basic home crystal kits and a bibliography are included.

Practical Manual of Crystal Healing RK Sharma, Practical Manual of Crystal Healing is a comprehensive guide to the art and science of crystal healing written by renowned author, teacher and spiritual coach RK Sharma. This book is a treasure trove of information for anyone interested in understanding the healing power of crystals and how to use them effectively for physical, emotional and spiritual well being. The book begins with an overview of the history and philosophy of crystal healing tracing its roots back to ancient times when crystals were revered for their mystical and healing properties. It then delves into the science behind crystal healing explaining how crystals work on a physical, emotional and spiritual level to restore balance and harmony in the body. The heart of the book is an in depth exploration of 100 different crystals each with its unique healing properties and qualities. The author provides detailed descriptions of each crystal including its physical characteristics, chemical composition and metaphysical properties as well as guidance on how to choose, cleanse, charge and program crystals for specific healing purposes. The book is organized in a user friendly format with each chapter focusing on a specific crystal or group of crystals. The author also provides easy to follow instructions on how to use crystals for healing including how to create crystal grids, use crystal wands and incorporate crystals into meditation and other spiritual practices. In addition to the practical information on crystal healing, the book also provides a wealth of insight into the deeper aspects of healing and spirituality. The author emphasizes the importance of cultivating a deep connection with the earth as well as developing a daily spiritual practice to enhance one's connection to the divine. Throughout the book, the author shares personal anecdotes and insights from his own journey as a healer and spiritual seeker, offering inspiration and encouragement to readers on their own healing journey. The writing is engaging and accessible, making even complex concepts easy to understand. Overall, Practical Manual of Crystal Healing is a must read for anyone interested in the art and science of crystal healing.
