Broadway has body issues What is a Broadway Body Broadway has long preserved the ideology of the Broadway Body the hyper fit exceptionally able triple threat performer who represents how Broadway musicals favor certain kinds of bodies Casting is always a political act situated within a power structure that gives preference to the Broadway Body In Broadway Bodies author Ryan Donovan explores how ability sexuality and size intersect with gender race and ethnicity in casting and performance To understand these intersectional relationships he poses a series of questions Why did A Chorus Line a show that sought to individuate dancers inevitably make dancers indistinguishable How does the use of fat suits in musicals like Dreamgirls and Hairspray stigmatize fatness What were the political implications of casting two straight actors as the gay couple in La Cage aux Folles in 1983 How did deaf actors change the sound of musicals in Deaf West s Broadway revivals Whose bodies does Broadway cast and whose does it cast aside In answering these questions Broadway Bodies tells a history

of Broadway's inclusion of various forms of embodied difference while revealing its simultaneous ambivalence toward non conforming bodies *Aerosmith* , **Digital Culture in the Platform Era** Shane Tilton, 2025-09-26 This book uses the roles of celebrities in society to frame discussions about digital culture in the platform era and helps us see how we have evolved online in our communication and cultural creations Focusing on the modern types of Internet celebrities influencers opinion leaders nanocelebrities and platform superstars allows us to discuss their online practices and how their work has significantly changed the ways we define our communities within increasingly fragmented digital audiences and platform users Through an exploration of the impact of social media and online communication the book highlights how we are impacted by those who dominate these platforms It identifies three essential components of digital celebrity culture personality reach and content while also providing an in depth analysis of the psychological profiles of four types of celebrities and their connection to audiences Internet celebrities can show us how to make our relationships more meaningful online by focusing on those communication practices that we learned in public speaking with a focus on informing persuading and inspiring This understanding of purposeful content empowers the average Internet user to build authentic connections in an interconnected digital landscape Celebrities are finally models of good practices when it comes to how they reach their audience Their direct messaging tends to mimic the personal conversations that they have with friends group chats are likely part of the celebrity's inter circle public postings on social media become their announcements to the general public and streaming replicates the standards of traditional media broadcasts Examining these dynamics of personalities content and reach gives us valuable insights into how we can effectively navigate digital interactions and ensure that we can craft online works that resonate with the people that we care about This book gives us the model to use practical communication techniques to be more meaningful online *On the Trail of Americana Music* Ralph Brookfield, 2021-12-15 Based on numerous interviews with leading musicians and music industry professionals this book explores the illusive genre and movement that is Americana From its historical roots in Country Folk and other rebel music the story of Americana music is told by those who are taking it in new directions today With so many music venues closed and incomes reduced musicians speak of their hopes and fears for the future of the industry in challenging times Interviews with Emily Barker Yola Troy Cassar Daley Kasey Chambers Dave Cobb Paul Kelly John Murry Lindi Ortega Wildwood Kin and many more ABOUT THE AUTHOR Ralph Brookfield trained as a molecular physicist worked as a freelance writer and software engineer ran his own software business then became a director of technology in the digital television industry until 2012 Since then he has pursued his passions of writing and music which he combines in his songwriting playing regularly with his band in the Ealing area the crucible of RnB music in the UK where he also manages and promotes grassroots music He is married has two grown up children and is a founder member of the infamous Hanwell Ukulele Group REVIEWS This book is the story of the richest tapestry of music ever found in one country So join in with the author on this journey of discovery from coast to coast

from around the world this wonderful music this is Americana Pete Clack Blues in Britain Magazine This is a great and informative read for any fan of the world's coolest music genre Americana Nash Chambers award winning Music Producer A deep inquisitive dive into the Americana story so far In the best possible way Ralph Brookfield's roots are showing Paul Sexton Music writer and broadcaster it is a volume of varied parts and something of a curated egg The chapters on the history and strands of Americana in America make good reading as do the chapters on Ireland and the role of women Perhaps not surprisingly the interest in the other chapters diminishes in proportion to the nature and size of the Americana scene found in each country I did admire his reasoned thoughts on Keith Urban seemingly someone subject to a degree of derision and where he sits in the musical cosmos One real bonus is a huge list of what are called endnotes Brookfield finishes the book with some brief words on the future which he sees might take us eventually to the land of Cosmic American Music as described by Gram Parsons Presently he identifies a retro movement as exemplified by Pokey le Farge He also recognises Kasey Chambers's work with native Australians Psychedelic influences and the work of Gangstagrass and the Alabama 3 Americana remains a very rich stew Gordon Sharpe Americana UK Currents, 2007 **International Record Review**, 2008 **The United States Patents Quarterly**, 2009 *The Hollywood Reporter*, 2008 *The Georgia Review*, 2014

Foss, 2019 Beyond Princess Culture Gender and Children's Marketing explores the impact of a post princess space examining potential agency and empowerment in the products users while acknowledging that at least some alternatives continue to perpetuate components of the rigidly gender coded princess culture This book collectively critiques the commodification of the post princess child consumer through analysis of historical and contemporary toys video games clothing websites and other popular culture phenomena Guided by theories from feminist and gender studies Beyond Princess Culture demonstrates how the marketing of children's products has and continues to perpetuate and challenge hegemonic notions of gender race ethnicity ability and other positions of intersectionality as situated in the social economic and historical contexts *International Journal of Market Research*, 2008 Marketing Library Services, 2007 **The New York Times Index**, 2009 **School Library Journal**, 2010 Praxis, 2010

The Top Books of the Year YouTube Review Award Winning The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. YouTube Review Award Winning : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. YouTube Review Award Winning : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
