Rodríguez Domínguez, Swagatam Das, 2025-12-16 This book presents best selected research papers presented at the Sixth International Conference on Recent Trends in Communication and Intelligent Systems ICRT CIS 2025 organized by Arya College of Engineering and IT Jaipur on June 27 28 2025 It discusses the latest technologies in communication and intelligent systems covering various areas of communication engineering such as signal processing VLSI design embedded systems wireless communications and electronics and communications in general Featuring work by leading researchers and technocrats the book serves as a valuable reference resource for young researchers and academics as well as practitioners in industry

Managing the Smart Revolution in Travel, Tourism, and Hospitality Anukrati Sharma, Shruti Arora, Priya Sodani, 2025-11-17 Managing the Smart Revolution in Travel Tourism and Hospitality provides a comprehensive exploration of how cutting edge technologies are reshaping the landscape of the industry

Why Irrational Politics Appeals Mari Fitzduff, 2017-02-13 The 2016 election has inspired millions of U S citizens and struck panic in the hearts of millions more This book explains the allure of Trump examines how Trump's success ties into the hopes and fears of many Americans and calls into question the limitations of our democratic system Across the United States and around the world people are struggling to understand why so many turned to Donald Trump an individual described as rude and insensitive at best and as

racist hateful and ignorant at worst as their champion Trump's nomination as the Republican presidential candidate and his subsequent election to president of the United States upended many long held assumptions and beliefs about politics such as the inevitable power of super funding election syndicates and the need for presidential candidates to have governance experience and broad knowledge of domestic and foreign affairs. *Why Irrational Politics Appeals: Understanding the Allure of Trump* takes a serious scientific look at Trump and his politics against the backdrop of modern American society. It brings together experts from a variety of psychological and political science fields to answer the mystifying question of why people by the millions would follow a leader who to so many others seems unqualified, undiplomatic and in opposition to previously established standards for a national leader. Readers will gain an understanding of how little a role rationality plays in political choices particularly but not always among citizens of certain socioeconomic backgrounds and why Trump's apparently divisive attitudes and prejudices, his lack of political correctness and his hubris appeal to so many voters. The book also raises questions about our democratic processes and our need for more thoughtful political cultures to ensure that citizens are adequately prepared to make important leadership decisions that will affect the future of our nation's economy, social norms and global safety.

Disinformation Countermeasures and Artificial Intelligence Oleksandr Makarenko, Paul Vines, George Cybenko, Ludmilla Huntsman, 2025-12-20. The Disinformation Countermeasures and Artificial Intelligence topic collection in *Frontiers in Artificial Intelligence* and *Frontiers in Big Data* journals will address the core problems of Cognitive Security CogSec AI powered disinformation in cognitive warfare machine learning techniques to counter disinformation novel P3 public private partnership models for countering synthetic disinformation and cross disciplinary methods of building cognitive resilience to malign influence operations with the use of AI. Artificial intelligence is changing the way we create and evaluate information and this is happening during an infodemic while all governments and their citizens face the important challenge of disinformation affecting politics, public health e.g. COVID 19, financial markets and elections. Although the impact of disinformation is intrinsically difficult to quantify and prone to overestimation in the popular consciousness specific examples such as lynchings catalyzed by disinformation spread over social media highlight that the threat it poses crosses social scales and boundaries. This threat extends into the realm of military combat as early as 2019 a NATO StratCom experiment established that social media exploitation enabled successfully influencing soldiers participating in an exercise to carry out desired behaviors such as leaving their positions not fulfilling duties etc. Bay and Biteniece 2019. Thus information has become a global safety issue while disinformation can kill. While malign actors weaponized information for years governments have embedded information as a war fighting function. The use of AI is essential for scale, speed and automation of offensive and defensive online influence operations.

EU Internet Law in the Digital Single Market Tatiana-Eleni Synodinou, Philippe Jougleux, Christiana Markou, Thalia Prastitou-Merdi, 2021-06-25. blog or to other social networking sites such as Facebook Offers ideas for using Twitter in business as well as for personal contacts Covers Twitter terminology and provides helpful tips and tricks for expanding Twitter's usefulness through third party applications Explore the possibilities of Twitter and discover what the buzz is all about with this tremendously terrific guide to Twitter **The #ArtOfTwitter** Daniel Parsons, 2018-12-26 **MASTERING TWITTER IS THE MOST POWERFUL WAY TO GET YOUR VOICE HEARD AS A CREATIVE PROFESSIONAL** In The ArtOfTwitter fantasy writer and Twitter coach Daniel Parsons explains how he grew a 90 000 strong army of loyal followers and gained real world influence as an indie author Breaking his tactics into short chapters and simple actionable steps he demonstrates exactly how any creative professional can achieve similar results Whether you're a writer artist musician or any other creative professional The ArtOfTwitter will show you how to Understand the changing world of social media Avoid common mistakes Grow your popularity without being suspended Gain a bigger audience by using hashtags Build strong relationships with your followers Nurture follower engagement Save time with Twitter apps Implement a strategy for sustained growth Make money with Twitter ads Ensure every tweet is a hit Get real world influence **The Complete Idiot's Guide to Twitter Marketing** Brett Petersel, Esther Schindler, 2012-05-01 Twitter has tens of millions of users and its active tweeters and followers look to it to answer to the question What's happening Businesses both large and small can quickly and easily send out highly targeted messages to key customers using Twitter However simply grasping only the mechanics of Twitter and flogging a message nobody cares about isn't enough to make a measurable difference Worse using Twitter the wrong way can damage a company's brand The Complete Idiot's Guide to Twitter Marketing blends an understanding of Twitter's powerful tools and reach with marketing savvy and the key to really engaging followers and converting them to customers It also covers new features such as the increasing importance of search engine optimization **Ultimate Guide to Twitter for Business** Ted Prodromou, 2013-01-29 Offers the secret sauce recipe for crafting the elusive sticky Tweets that win followers and supporters It also shows how to mine Tweets from others to gain the trust of potential partners and customers Original **Twitter Guide** Gary Adams, 2020-11-02 There are several reasons to use hashtags for both personal and business applications On your profiles it's helpful to keep family and friends abreast of what's going on in your life and the things in which they are most interested in knowing While status updates are a means of doing this hashtags are a means to group certain aspects of your life For instance if your family or friends are interested in spreading the word about a particular cause you're regularly involved in hashtagging your cause will allow them to quickly find the latest news And not only about you but others doing the same Corporations have been responsible for creating some of the most popular hashtags doing so to promote a specific product or service Small companies have followed suit incorporating trending hashtags into their social media presence It's a way not only to join in on a conversational topic but create a new dialogue Some companies use hashtags to keep up with their competitors marketing learning what does generate and doesn't generate interest These meta tags can also be used to

talk up a campaign or spread buzz about an upcoming event Of course there are a few drawbacks to using hashtags First and foremost is that you don t own them There are no rules or guidelines When you add the hash symbol before a word it becomes a hashtag and anyone else can grab it and exploit it It becomes troublesome especially in business if it s hijacked and used nefariously For most people the hashtag is used for fun Many trending hashtags like ProudtoBeAFanOf are simply used to share an opinion Others help organize news stories around major events And sometimes they re just made up on the fly to make a Tweet sound funnier The interpretation and usage are always up to you like most Twitter lingo but the most basic function of a hashtag is to create a single organized feed of Tweets around each one

Twitter Marketing Hollis Thomases,2010-01-12 The complete guide to a successful Twitter marketing campaign Twitter is a microblogging service that s changing the way we communicate Marketers recognize its value and Twitter Marketing An Hour a Day offers marketers advertisers brand managers PR professionals and business owners an in depth guide to designing implementing and measuring the impact of a complete Twitter strategy Expert author Hollis Thomases acquaints you with the Twitterverse its conventions and its fascinating demographics and statistics She then teaches you step by step how to effectively craft successful branding and direct response strategies that can be scaled to any organization and its objectives Twitter Marketing An Hour a Day uses interesting case studies success stories anecdotes and examples to demonstrate how to use Twitter metrics in order to inform strategic direction You ll discover how top companies large and small have leveraged this exciting communications platform Twitter has become a phenomenon with 32 million users including major companies such as Apple JetBlue and CNN This step by step guide explains the demographics shows how companies are using Twitter and explains how to scale the approach to your enterprise The detailed coverage includes the basics for Twitter newcomers and explores all elements of a successful strategy Expert author Hollis Thomases shows how to set goals develop and implement a plan attract followers and measure the impact of a campaign The in depth book explains how to maintain momentum and explores such issues as contests promotions and crisis management Twitter Marketing An Hour a Day is the ultimate guide to succeeding one tweet at a time
