In today's society the utilization of social media platforms has become an abundant forum for individuals to post, share, tag, and in some cases overshare information about their daily lives. As significant amounts of data flood these venues, it has become necessary to find ways to collect and evaluate this information. **Social Media Data Extraction and Content Analysis** explores various social networking platforms and the technologies being utilized to gather and analyze information being posted to these venues. Highlighting emergent research, analytical techniques, and best practices in data extraction in global electronic culture, this publication is an essential reference source for researchers, academics, and professionals.

Proceedings of Data Analytics and Management Abhishek Swaroop, Zdzislaw Polkowski, Sérgio Duarte Correia, Bal Virdee, 2024-01-13

This book includes original unpublished contributions presented at the International Conference on Data Analytics and Management (ICDAM 2023) held at London Metropolitan University, London, UK, during June 2023. The book covers the topics in data analytics, data management, big data, computational intelligence, and communication networks. The book presents innovative work by leading academics, researchers, and experts from industry, which is useful for young researchers and students. The book is divided into four volumes.

Machine Learning in Healthcare and Security Prashant Pranav, Archana Patel, Sarika Jain, 2024-01-19

This book brings together a blend of different areas of machine learning and recent advances in the area. From the use of ML in healthcare to security, this book encompasses several areas related to ML while keeping a check on traditional ML algorithms. **Machine Learning in Healthcare and Security: Advances, Obstacles, and Solutions** describes the predictive analysis and forecasting techniques in different emerging and classical areas using the approaches of ML and AI. It discusses the application of ML and AI in medical diagnostic systems and deals with the security prevention aspects of ML and how it can be used to tackle various emerging security issues. This book also focuses on NLP and understanding the techniques, obstacles, and possible solutions. This is a valuable reference resource for researchers and postgraduate students in healthcare systems engineering, computer science, cyber security, information technology, and applied mathematics.

The Measurement of Information Integrity Michael Seadle, 2021-09-01

Arguing that there never was a time when politicians did not prevaricate and when some communities did not doubt conclusions that others considered to be facts, **The Measurement of Information Integrity** puts the post-truth era in context and offers measures for integrity in the modern world. Incorporating international examples from a range of disciplines, this book provides the reader with tools that will help them to evaluate public statements, especially ones involving the sciences and scholarship. It also provides intellectual tools to those who must assess potential violations of public or academic integrity.

Many of these tools involve measurement mechanisms ways of putting cases into context and a recognition that few cases are simple black and white violations Demonstrating that a binary approach to judging research integrity fails to recognize the complexity of the environment Seadle highlights that even flawed discoveries may still contain value Finally the book reminds its reader that research integrity takes different forms in different disciplines and that each one needs separate consideration even if the general principles remain the same for all The Measurement of Information Integrity will help those who want to do research well as well as those who must ascertain whether results have failed to meet the standards of the community It will be of particular interest to researchers and students engaged in the study of library and information science

#Frankenstein; Or, The Modern Prometheus Mike Bezemek,2018-06-12 Few classic works of literature have excited such enduring popular interest among the general public as Frankenstein But suppose the characters Victor Frankenstein Captain Robert Walton and yes even the monster had shared their tale in tweets Frankenstein Or The Modern Prometheus in Tweets hilariously reimagines Mary Shelley s classic gothic novel in about 200 tweets each 140 characters or less FrankenDrVictor A rainy Nov night under dying candle I infused the spark A gasp A convulsion of limbs A yellow eye opened P WTF have I done In this witty abridgment Victor Frankenstein s quest to create a sentient being is retold with the occasional emoji The plight of his monstrous creation is presented with internet acronyms And Captain Robert Walton ponders the blinding power of ambition with hashtags Including an appendix

that presents the original passages upon which each tweet is derived Frankenstein offers modern readers an entertaining and accessible companion to a great American classic [Fake Accounts](#) Lauren Oyler,2022-02-08 A NATIONAL BESTSELLER A NEW YORK TIMES BOOK REVIEW EDITORS CHOICE A WASHINGTON POST BEST BOOK OF THE YEAR An invigorating work deadly precise in its skewering of people places and things Stylish despairing and very funny *Fake Accounts* adroitly maps the dwindling gap between the individual and the world Katie Kitamura The New York Times Book Review A woman in a tailspin discovers that her boyfriend is an anonymous online conspiracy theorist in this absolutely brilliant take on the bizarre and despicable ways the internet has warped our perception of reality Elle One of the Most Anticipated Books of the Year On the eve of Donald Trump's inauguration a young woman snoops through her boyfriend's phone and makes a startling discovery he's an anonymous internet conspiracy theorist and a popular one at that Already fluent in internet fakery irony and outrage she's not exactly shocked by the revelation Actually she's relieved he was always a little distant and she plots to end their floundering relationship while on a trip to the Women's March in DC But this is only the first in a series of bizarre twists that expose a world whose truths are shaped by online lies Suddenly left with no reason to stay in New York and increasingly alienated from her friends and colleagues our unnamed narrator flees to Berlin embarking on her own cycles of manipulation in the deceptive spaces of her daily life from dating apps to expat meetups open plan offices to bureaucratic waiting rooms She begins to think she can't trust anyone shouldn't the feeling be mutual Narrated with seductive confidence and subversive wit *Fake Accounts* challenges the way current conversations about the self and community delusions and gaslighting and fiction and reality play out in the internet age **Truth or Lie:**

Presidents! Erica S. Perl,2019-12-31 Just in time for Presidents Day and the 2020 election Proficient readers will enjoy hunting down the TRUTH about several of our U.S. presidents in this book part of an innovative new series President William Howard Taft the twenty seventh president of the United States got stuck in the White House bathtub right That's a LIE The TRUTH is he never actually got stuck in the bath during his presidency but he did go on to become a Supreme Court chief justice after his term Though 100% fun 25% of this engaging early reader is FALSE In a unique question and answer format proficient readers are quizzed about funny interesting presidential trivia to see if they can separate facts from lies Our mascot the Truth Sleuth guides readers through this entertaining and fact packed Step 3 book filled with historical photos and kid appealing art and humor Step 3 Readers feature engaging characters in easy to follow plots about popular topics for children who are ready to read on their own [Power of Reading](#) Frank Furedi,2015-10-08 Here is a natural companion to Christopher Booker's bestselling *The Seven Basic Plots* Continuum and John Gross's seminal study *The Rise and Fall of the Man of Letters* Weidenfeld and Nicolson The most eminent cultural and social historian Frank Furedi presents an eclectic and entirely original history of reading The very act of reading and the choice of reading material endow individuals with an identity that possesses great symbolic significance Already in ancient Rome Cicero was busy drawing up a hierarchy of

different types of readers Since that time people have been divided into a variety of categories literates and illiterates intensive and extensive readers or vulgo and discreet readers In the 19th Century accomplished readers were praised as men of letters while their moral opposites were described as unlettered Today distinctions are made between cultural and instrumental readers and scorn is communicated towards the infamous tabloid reader The purpose of this book is to explore the changing meanings attributed to the act of reading Although it has an historical perspective the book's focus is very much on the culture of reading that prevails in the 21st Century There are numerous texts on the history of literacy Hoggart yet there is no publication devoted to the the history of readers and their relationship with wider culture and society It is thus a fascinating insight into understanding the post Gutenberg debates about literacy in a multimedia environment with such a strong emphasis on the absorption of information Taking a cue from George Steiner Furedi argues vigorously for the restoration of the art of reading every bit as important as the art of writing *Twitter Flames* Em S A'Cor,2025-03 Flames ignite in every way After a whirlwind holiday romance widowed mom Dr Marisol Cruz and divorced dad Dr Greg Kaczmarek are falling in love hot and hard But Greg's career ambitions and a former classmate come to bear on the blazing relationship To complicate matters a family friend of Marisol enters the picture as well Can Marisol and Greg make it work in the face of daunting challenges Grow closer to these characters as they navigate the Gen X landscape full of midlife minefields Get your copy of *Twitter Flames* and find yourself rooting for happiness Book Two Part I of the Tweet Hearts series Part II is coming June 1 2025 For the full experience read Parts I II and III of *Twitter Flames*
