management concepts and methods and how managers use cost management information to make better decisions and improve their company's competitiveness. In teaching these key management skills, the text takes on a strategic focus. It uncovers issues such as how does a firm compete? What type of cost management information is needed for a firm to succeed? and How does the management accountant develop and present this information? This text helps students learn why, when, and how cost information is used to make effective decisions that lead a firm to success. Cost Management Edward

Blocher, 1999 **Cost Management: A Strategic Emphasis** Edward Blocher, David Stout, Gary Cokins, 2009-09-23 *Cost Management: A Strategic Emphasis* by Blocher Stout Cokins is the first cost accounting text to offer integrated coverage of strategic management topics in cost accounting. The text is written to help students understand more about management and the role of cost accounting in helping an organization succeed. This text aims to teach management concepts and methods, also to demonstrate how managers use cost management information to make better decisions and improve their organization's competitiveness. In teaching these key management skills, the text takes on a strategic focus. It addresses issues such as How does a firm compete? What type of cost management information is needed for a firm to succeed? How does the management accountant develop and present this information? **Loose-Leaf for Cost Management: A Strategic Emphasis** Gary Cokins, Edward Blocher, David Stout, Paul Juras, 2015-08-27 *Cost Management: A Strategic Emphasis* by Blocher Stout Juras Cokins is dedicated to answering the question Why Cost Management? Blocher et al. provide the cost management tools and techniques needed to support an organization's competitiveness, improve its performance, and help the organization accomplish its strategy. The text is written to help students understand the broader role of cost accounting in helping an organization succeed, and not just the measurement of costs. While the text does include coverage of traditional costing topics (e.g., job order costing, process costing, service department cost allocations, and accounting for joint and by-products), its primary strength is the linkage of these topics as well as more contemporary topics to an organization's strategy. This message is reinforced by a dynamic author team, all four of whom have close ties to current cost management practice. New to the 7th edition is McGraw Hill Connect, a digital teaching and learning platform for homework completion and review that helps improve student performance over a variety of critical outcomes while aiding instructor grading and assessment efficiency. Housed within Connect SmartBook is an adaptive study tool that helps identify specific topics and learning objectives individual students need to study. As students read SmartBook, it assesses comprehension and dynamically highlights where they need to focus more. The result is that students are more engaged with course content, can better prioritize their time, and come to class ready to participate. **Cost Management** Edward Blocher, Kung H. Chen, W. Thomas Lin, 2001-08-01 *Cost Management: A Strategic Emphasis* by Blocher

Chen Lin was the first cost accounting text to offer strategic management topics in conjunction with traditional cost accounting material. The text was written to help students understand more about management and the role of cost management in helping a firm or organization to succeed. This text aims to teach you about management and how cost management is used by managers to make better decisions and improve their companies. In teaching these key management skills, this text takes on a strategic focus. It uncovers issues such as: How does a firm compete? What type of cost management information is needed by managers that are working to make the firm a success? We want students to know why, when, and how this information is used to make effective decisions that lead the firm to success.
