The True Account of Myself as a Bird Robert Wrigley, 2022-06-14 From an award winning poet a new collection that endeavors to pass along what the things of the earth are telling us Over the course of his career Robert Wrigley has won acclaim for the emotional toughness sonic richness and lucid style of his poems and for his ability to fuse narrative and lyrical impulses In his new collection Wrigley means to use poetry to capture the primal conversation between human beings and the perilously threatened planet on which they live and live proceeding from a line from Auden All we are not stares back at what we are In language that is both elegiac and playful declarative and yet ringingly musical in traditional sonnets quatrains and free verse Wrigley transcribes the

**Blue Dawn** Blaine L. Pardoe, 2021-06-23 In Blue Dawn bestselling author Blaine Lee Pardoe delivers a chilling political thriller that imagines America's darkest hour Five years after a devastating coup known as the Liberation by its perpetrators and the Fall by its victims the United States has been transformed into Newmerica a progressive regime where conservatism is criminal patriotism is treason and history has been rewritten to serve the new elite When former Secret Service agents Jack Desmond and Kara Kazinski who harbor dangerous secrets from the night of the Fall cross paths with Andy Forrest the son of a persecuted history professor they become unlikely allies in a desperate bid to restore the nation The recovery of precious national artifacts including the original Declaration of Independence and Constitution becomes the catalyst for resistance against the increasingly authoritarian

government As the legitimate successor to the presidency emerges from hiding to reclaim power a lethal operative named Caylee Leatrom finds herself questioning her loyalty to a system built on lies Meanwhile a young man named Raul discovers the brutal truth behind the utopian promises that shaped his worldview With the government's forces closing in this band of patriots must outmaneuver the powerful National Security Force and Social Enforcers while orchestrating a nationwide awakening before America's heritage is erased forever A provocative alternate history thriller that feels eerily plausible Blue Dawn is a high stakes race against time that explores the fragility of democracy and the resilience of the American spirit If you enjoyed 1984 The Handmaid's Tale and American War you'll love Blue Dawn
