Costco Membership Fee:

How to Price Effectively Utpal Dholakia, 2017-07-13 Pricing decisions are among the most important and impactful business decisions that a manager can make. *How to Price Effectively: A Guide for Managers and Entrepreneurs* introduces the value pricing framework, a structured, versatile, and comprehensive method for making good pricing decisions and executing them. The framework weaves together the latest thinking from academic research, journals, proven best practices from the leading pricing experts, and ideas from other fields such as medical decision making, consumer behavior, and organizational psychology. The book discusses what a good pricing decision is, which factors you should consider when making one, the role played by each factor, costs, customer value, reference prices, and the value proposition, and how they work together, the importance of price execution, and how to evaluate the success of pricing decisions. You will also be introduced to a set of useful and straightforward tools to implement the value pricing framework and study many examples and company case studies that illustrate its nuances. The purpose of *How to Price Effectively: A Guide for Managers and Entrepreneurs* is to provide you with a comprehensive practical guide to making, executing, and evaluating pricing decisions.

China-Focused Cases CEIBS Case Center, 2019-03-01 This book is the first anthology compiled in English by the CEIBS Case Center to promote China-focused cases worldwide. Included are ten of twenty-six award-winning cases from the Global Contest for the Best China-Focused Cases during 2015 to 2017. These works exemplify the quality of effective business cases and share stories of China to the world. Each of the ten cases has a defining feature. Some cases, with a focus on user demand, analyze how companies build their core competence, e.g., Haidilao Hot Pot and OnePlus Mobile Phone, while others present an array of business innovations in the era of new retail, e-commerce, and the sharing economy, e.g., SF Express, Jinhuaobao, FamilyMart, and Handu Apparel. Some describe Chinese companies' operations in the overseas market, e.g., Huawei and TECNO, and others depict how foreign companies adapt to the Chinese market in a unique way, e.g., Starbucks. These cases were drawn from Chinese and overseas business schools. The book helps bridge the gap between the world management community's interest in China and the limited availability of China-focused management cases. We hope this collection of select cases will prove valuable and informative for our readers.

Sustainable Enterprise Mark Peterson, 2012-10-08 This book is appropriate for the following courses: Sustainable Enterprise, Sustainable Business Practices, Sustainability Marketing, Society, Social Marketing, Sustainable Enterprise. A Macromarketing Approach goes beyond the internal firm strategies of micromarketing and the four Ps to take a broader perspective focused on the interconnectedness of markets, marketing, and society. In a globalized society concerned with social and environmental sustainability, this book encourages students to think critically about the opportunities and limitations of marketing, as well as its positive and potentially negative effects. Through the presentation of key research findings and actual company cases, Peterson engages students with questions such as: How do firms use sustainability concepts to navigate their firms in global business today? Why do markets change? How can firms

conduct business profitably with the environment in mind How can firms conduct business profitably with poor consumers in mind Based on the premise that firms using holistic marketing strategies are better able to assess risks and identify opportunities this text explains how firms can approach the marketplace to benefit the company key stakeholders and society at large The result is a one of a kind book that successfully explores macromarketing for sustainable enterprise

Sustainable Marketing Mark Peterson, 2021-04-28 Building on the idea that holistic marketing strategies allow firms to assess risk and realise opportunities this book draws on new research and industry examples to help you recognize effective sustainability practices that benefit companies stakeholders and society With an issue based approach that dissects the interplay between marketing and society the author encourages readers to critically engage with the changing nature of markets how companies can adapt to sustainability guidelines and environmental threats while still remaining profitable in today s global market Using a range of examples including Costco Juul Facebook Patagonia and Bitcoin Peterson highlights the importance of social issues facing businesses today such as poverty alleviation the drive towards more green living corporate social responsibility within firms and political pressures such as emissions guidelines and reducing the global carbon footprint The Mavericks Who Made It feature also highlights key entrepreneurs throughout history their key successes and their impact on sustainable marketing

The SAGE Handbook of Marketing Ethics Lynne Eagle, Stephan Dahl, Patrick De Pelsmacker, Charles R. Taylor, 2020-10-05 The SAGE Handbook of Marketing Ethics draws together an exhaustive overview of research into marketing s many ethical conundrums while also promoting more optimistic perspectives on the ways in which ethics underpins organizational practices Marketing ethics has emerged in recent years as the key and collective concern within the ever divergent fields of marketing and consumer research This handbook brings together a rich and diverse body of scholarly research with chapters on all major topics relevant to the field of marketing ethics whilst also outlining future research directions PART 1 Foundations of Marketing Ethics PART 2 Theoretical and Research Approaches to Marketing Ethics PART 3 Marketing Ethics and Social Issues PART 4 Issues in Consumer Ethics PART 5 Ethical Issues in Specific Sectors PART 6 Ethical Issues in the Marketing Mix PART 7 Concluding Comments and Reflections

Nomad Investment Letters to Shareholders Nick Sleep, Qais Zakaria, This book compiles the full unedited versions of every letter Nick Sleep and Qais Zakaria sent to Nomad Investment Partnership shareholders from 2001 to 2013 While most of the letters can be found online this book compiles them into a more easily readable format The collection is born out of a desire to offer the following benefits to the investment community Effortless Navigation Gone are the days of cumbersome PDFs or archived documents This clear optimized layout ensures a seamless reading experience on any e reader Preserving the Legacy These shareholder letters are more than just annual reports They chronicle the journey of Nomad Investment Partnership By compiling them in this permanent volume I want to ensure their preservation for future generations
