La presse médicale belge, 1888 **Science progrès, la nature**, 1906 **Moniteur belge**, 1886 **Gustave Caillebotte as Worker, Collector, Painter** Samuel Raybone, 2020-09-17 Gustave Caillebotte was more than a painter he collected and researched postage stamps designed and built yachts administered and participated in the sport of yachting

collected paintings cultivated and collected rare orchids designed and tended his gardens and engaged in local politics
 Gustave Caillebotte as Worker Collector Painter presents the first comprehensive account of Caillebotte's manifold activities
 It presents a completely new critical interpretation of Caillebotte's broad career that highlights the singular salience of work
 and which intersects histories and theories of visual culture ideology and psychoanalysis Where the recent art historical
 rediscovery of Caillebotte offers multiple narratives of his identification with working men this book goes beyond them
 towards excavating what his work was in its own terms Born to an haut bourgeois milieu in which he was never completely
 comfortable and assailed by traumatic familial bereavements Caillebotte adopted and adapted the ideologically normative
 category of work for his own purposes deconstructing its ostensibly class determinate parameters in order to bridge the
 chasm of his social alienation Le verre Sophie Lagabrielle, 2017 Publi l occasion de l exposition Le verre un Moyen ge
