

## Core Practices to Elevate Counseling Supervision

# Counselling Supervision In Organisations Counselling Supervision In Organisations

**Nadine Pelling**

## **Counselling Supervision In Organisations Counselling Supervision In Organisations:**

Counselling Supervision in Organisations Sue Copeland, 2013-04-03 Counselling supervision is an expanding area as increasing numbers of counsellors enter the profession and require supervision on a regular basis Counselling Supervision in Organisations seeks to provide a model of counselling supervision within organisations enabling supervisors counsellors and their line managers to work effectively within organisational cultures for the benefit of all parties in the working alliance Drawing on her own research Sue Copeland explores both counselling and supervision cultures and their fit with various organisational cultures The dilemmas that often arise from a clash between differing cultural norms are discussed in relation to the supervisory process From securing a supervisory position contracting for the work reporting back to the organisation assessing the work and ending the relationship through to an in depth consideration of the supervisory work embedded in a good working relationship her model provides a blueprint for the supervisory process The model described in Counselling Supervision in Organisations brings together the cultures of counselling and supervision and their relation to organisational cultures It will provide a unique resource for counsellors trainee and professional counselling supervisors and their line managers

Counselling Supervision in Organisations Sue Copeland, 2005 This book brings together the cultures of counselling and supervision and their relation to organisational cultures providing a unique understanding of the employment processes for counselling supervisors working within organisations

**Counselling Supervision in Context** Michael Carroll, Elizabeth Holloway, 1999-02-22 The book is written in such a way as to challenge and educate through the use of exercises scenarios and activities Something it does rather well A well written practical and informative publication of value to supervisees supervisors and all those involved in counsellor and supervisor training Counselling Psychology Review This book argues that the social context is important for the individual client supervisee and supervisor as is the context in which the work and supervision are done it is a clear well written and enjoyable book containing helpful information for both supervisees and supervisors Transformations The PCSR Journal There is an increa

**Effective Supervision for the Helping Professions** Michael Carroll, 2014-06-13 Using features such as case studies exercises and points for reflection this is an ideal introduction to managing the supervisory relationship for both trainee and supervisor This second edition of the book formerly titled Counselling Supervision now covers new and contemporary areas of supervision such as ethical maturity insights into supervision from neuroscience the organisational demands from the various contexts in which supervision takes place It widens the concept of supervision to include professions such as coaching organisational development consulting counselling and psychology

**Handbook of Counselling in Organizations** Michael Carroll, Michael Walton, 1997-02-24 This major handbook covers all aspects of counselling within an organizational context The authors provide a thorough examination of all the key areas and concerns in the field including models of counselling in organizations assessing the organization for counselling provision introducing counselling into the organization how the organization can impact on the

counselling process understanding and working with the organization as a counsellor evaluating counselling provision within organizations and training and supervising counsellors working with organizations      **Counselling Supervision** Michael Carroll,2003-08-23 This work examines the practical skills needed for setting up a programme of supervision and the theoretical knowledge required It provides two models a four stage model of setting up maintaining and engaging in supervision and a model connecting the tasks of supervision with its goals and purposes It is intended for use by both supervisor and trainee as a means of managing their relationship      **Training Counselling Supervisors** Elizabeth Holloway,Michael Carroll,1999-05-19 Experienced supervisors would find it useful to read as a part of their continuous professional development Counselling at Work Highlighting the crucial themes intrinsic to the supervision process this volume offers a varied selection of methods for educating supervisors Experienced international trainers describe how they teach critical elements in the practice of supervision and outline their models for teaching in the context of their practice The book covers a wide range of topics including contracting reflective processes supervision in group and multicultural contexts and evaluation The text is organized to bring continuity across the elements addressed and to heighten awareness of educational methods as a whole Case studies and exercises for teaching are provided      **Group Supervision** Brigid Proctor,2008-09-23 The Second Edition of Group Supervision is essential reading for all participants in group supervision It offers a comprehensive insight into the complexities of organising managing and creatively facilitating a group or of being a practitioner in a cooperative peer group Professor Sue Wheeler University of Leicester Among the plethora of supervision books Group Supervision is the only one dedicated to group work Brigid Proctor shows how group supervision can provide a supportive environment in which practitioners learn from each others experience finding positive and creative ways of working with the diversity which characterises all groups Examining tasks roles and responsibilities of both supervisors and supervisees she describes the skills needed for managing different types of group developing a flexible leadership style making sense of group and individual needs using creative methods The Second Edition of this popular text features up to date research findings on group supervision in organisations and further coverage of the challenge of ethical decision making in groups A new chapter considers the advantages of groups for supervisor development and training stressing the urgency for greater accountability and research Essential for all supervisors and trainers the practical information in this book will also benefit those who manage organizations providing group supervision for counsellors and psychotherapists be they employees volunteers or trainees Brigid Proctor Fellow of the BACP is a retired Director of Counselling courses at South West London College and has subsequently worked freelance as a counsellor supervisor trainer and consultant

**Counselling Supervision** Michael Carroll,2001-01 This work examines the practical skills needed for setting up a programme of supervision and the theoretical knowledge required It provides two models a four stage model of setting up maintaining and engaging in supervision and a model connecting the tasks of supervision with its goals and purposes It is

intended for use by both supervisor and trainee as a means of managing their relationship

**Integrative Approaches to Supervision** Michael Carroll, Margaret Tholstrup, 2001-01-01 As new techniques and approaches to supervision attract interest within therapy related professions the contributors to this informative book consider the nature of a supervision and examine the ways in which it can be further defined and developed Drawing together practical and theoretical perspectives Integrative Approaches to Supervision examines the contribution that supervision can make within both organisational and individual settings The book covers frameworks and models for supervision supervision in clinical practice and issues within integrative supervision Topics include different models of the supervision practice anti oppressive practice spirituality and supervision counselling supervision in health care supervision of organisations self protection for supervisors from complaints and litigation Wide in scope but rich in detail this book is essential reading for psychotherapists counsellors consultants and students involved in the supervision process

**Providing Support and Supervision** Hazel L. Reid, Jane Westergaard, 2013-09-13 The focus of governments across Europe and the U S in recent years has been on an agenda for social inclusion This is especially the case for some young people who for various reasons have become excluded from education training and employment This vital new guide to providing support in this changing world is ideal for those working with young people and those who provide support and supervision to youth support workers themselves This comprehensive resource can be used as a textbook on supervision courses or as a professional handbook It will help readers to understand the underlying concepts behind support and supervision and to engage with the concepts models and techniques that determine effective day to day practice In addition the book clarifies the benefits and limitations of support and supervision by drawing on the knowledge and experience of those currently involved in youth support The collection of writers bring a wealth of knowledge and experience from academic and practice based backgrounds to help practitioners their managers the organisations for which they work and those on a wide range of professional training courses

**Supervising Counsellors** David King, Sue Wheeler, 2001-05-02 Supervising Counsellors is a practical and insightful guide to the responsibilities facing all those involved in supervising practitioners and trainees Drawing together contributions and new research from those at the forefront of supervisory practice this book makes essential reading for both qualified and trainee supervisors Part One defines the supervisor's clinical legal and ethical responsibilities and clearly sets out the law and professional codes relating to supervision Part Two examines issues that arise for supervisors working in different contexts organizations training primary care and some of the wider issues concerning supervision and highlights in particular the expectations of supervisees and the role of supervisors in ensuring that clients are not discriminated against

**Integrative Approaches to Supervision** Ms Margaret Tholstrup, Dr Michael Carroll, 2001-03-30 The contributors to this informative book consider the nature of a supervision and examine the ways in which it can be further defined and developed Drawing together practical and theoretical perspectives Integrative Approaches to Supervision examines the contribution

that supervision can make within both organisational and individual settings      **Workplace Counselling** Michael Carroll,1996-12-23 An invaluable resource book for anyone counsellors EAP providers and companies involved in workplace counselling Helpful and informative it is set to become a classic text in its field Counselling The Journal of the British Association for Counselling Accessible and meaningful a valuable contribution to the growing body of literature on counselling in specific contexts and Michael Carroll is to be congratulated for his skill in pulling together so many strands that influence the workplace counsellor s role Human Resource Management Journal Hand in hand with the increase in numbers of organizations offering counselling for their employees comes a growing demand f      *Getting the Best Out of Supervision in Counselling & Psychotherapy* Mary Creaner,2013-12-10 Getting the Best Out of Supervision in Counselling Psychotherapy does exactly what it says on the tin Supervision is an essential part of counselling training and ensuring you know exactly how to get the very most out of supervision is important whatever their level of study Exploring how to begin maintain and end a supervisory learning relationship in the context of existing theory and best practice guidelines the author will introduce your trainees to Models and forms of supervision The skills informing good supervision What to expect from supervision Key professional issues in supervision Written in a lively and engaging style this book will enable both supervisors and supervisees to get the best they can from the supervisory experience      *The Supervision Group as Protection* Pilar Antonia Gonzalez-Doupe,2001      Supervising Counsellors Sue Wheeler,David King,2001-03-09 Supervising Counsellors is a practical and insightful guide to the responsibilities facing all those involved in supervising practitioners and trainees Drawing together contributions and new research from those at the forefront of supervisory practice this book makes essential reading for both qualified and trainee supervisors Part One defines the supervisor s clinical legal and ethical responsibilities and clearly sets out the law and professional codes relating to supervision Part Two examines issues that arise for supervisors working in different contexts organizations training primary care and some of the wider issues concerning supervision and highlights in particular the expectations of supervisees and the role of supervisors in ensuring that clients are not discriminated against      **Fundamentals of Clinical Supervision** Janine M. Bernard,Rodney K. Goodyear,1998 Might be used by supervision researchers and practitioners Clinical supervisors      The Practice of Counselling and Clinical Supervision Nadine Pelling,2017-03-21 In this new and expanded edition of the leading state of the art text for supervision training of a range of clinical therapists comprehensively covers the entire range of professional personal and organisational issues that need to be addressed to ensure quality supervision for both counsellors and clinicians With a global focus and an impressive list of 16 experienced contributors from Australia Canada and the US      The Practice of Clinical and Counselling Supervision Nadine Pelling,Philip Armstrong,2024-12-11 Quality supervision assists in quality service provision The Practice of Clinical and Counselling Supervision Australian and International Applications is the third edition of the leading Australian state of the art text for supervision training applicable to a vast range of applied therapists

Counsellors psychologists psychotherapists social workers and clinical nurse supervisors will all find the presentation of supervision approaches methods and applications helpful From introductory conceptualisations of counselling to ethical applications and from interacting with suicidality to addressing supervisee fears this book has what supervisors need to know about supervision Specialty areas including domestic violence Christian counselling and the status of supervision research are also covered This third edition uniquely details information on supervision and counselling in various countries and thus honours the diversity of applied supervision globally With an impressive list of contributors from Australia and the broader region this book provides a wealth of practical information advice theory research evidence and essential training for supervisors
