Christopher Metzger, 2001 On a gray blustery March afternoon eighteen year old Nathan Miller goes to the mailbox on his family's Pennsylvania farm and finds an Army draft induction order While the rest of the country has been using all of its resources to defeat the Axis powers during the Second World War Nathan has been aimlessly squandering his days in juvenile mischief Strictly forbidden from any participation in the war by the Old Order Amish community to which he belongs Nathan is suddenly caught up in a tug o war between his own peaceful people and the mightiest armed forces on the planet Soon Nathan is arrested for draft evasion and his eventual trial makes it clear that his problems are not going to just disappear When he is found guilty Nathan is sentenced to two years in a Federal prison a sentence the judge is willing to suspend on the condition that Nathan reject his churches teachings and report for military service within forty eight hours With his time running out Nathan must quickly choose between his renewed commitment to the Amish way of life or capitulation to the warring government that would determine the course of his life and quite possibly his death

**Wilt, 1962** Gary M. Pomerantz, 2010-06-02 On the night of March 2 1962 in Hershey Pennsylvania right up the street from the chocolate factory Wilt Chamberlain a young and striking athlete celebrated as the Big Dipper scored one hundred points in a game against the New York Knickerbockers As historic and revolutionary as the achievement was it remains shrouded in myth The game was not televised no New York sportswriters showed up and a fourteen year old local boy ran onto the court

when Chamberlain scored his hundredth point shook his hand and then ran off with the basketball In telling the story of this remarkable night author Gary M Pomerantz brings to life a lost world of American sports In 1962 the National Basketball Association stepchild to the college game was searching for its identity Its teams were mostly white the number of black players limited by an unspoken quota Games were played in drafty half filled arenas and the players traveled on buses and trains telling tall tales playing cards and sometimes reading Joyce Into this scene stepped the unprecedented Wilt Chamberlain strong and quick witted voluble and enigmatic a seven footer who played with a colossal will and a dancer s grace That strength will grace and mystery were never more in focus than on March 2 1962 Pomerantz tracked down Knicks and Philadelphia Warriors fans journalists team officials other NBA stars of the era and basketball historians conducting more than 250 interviews in all to recreate in painstaking detail the game that announced the Dipper s greatness He brings us to Hershey Pennsylvania a sweet seeming model of the gentle homogeneous small town America that was fast becoming anachronistic We see the fans and players alternately fascinated and confused by Wilt drawn anxiously into the spectacle Pomerantz portrays the other legendary figures in this story the Warriors elegant coach Frank McGuire the beloved if rumpled team owner Eddie Gottlieb and the irreverent p a announcer Dave the Zink Zinkoff who handed out free salamis courtside At the heart of the book is the self made Chamberlain a romantic cosmopolitan who owned a nightclub in Harlem and shrugged off segregation with a bebop cool but harbored every slight deep in his psyche March 2 1962 presented the awesome sight of Wilt Chamberlain imposing himself on a world that would diminish him Wilt 1962 is not only the dramatic story of a singular basketball game but a meditation on small towns midcentury America and one of the most intriguing figures in the pantheon of sports heroes Also available as a Random House AudioBook **Bowker's Complete Video**
