## **Courage Quest**

**Courage Quest** Sally Demasi, 2018-02-26 This is an engaging memoir of one woman's solo backpacking travels through areas of the world most would not tackle. She searched fifteen years for courage by confronting fear. Sally DeMasi stepped from her comfort zone to expand new horizons and face her personal fears. Leaving a lucrative career behind, she chose a backpack over a rolling suitcase. Staying in hostels traveling as locals do by bus, dolmuses, and ferries or on foot, she defiantly overcame walking the streets of Nairobi, paddling down the angry Amazon River, meeting the empathetic people of Turkey, and even in her new home state, challenging the major Salmon River rapids in Hell's Canyon and beyond with a new love. She conquered her fears. DeMasi provides vivid descriptions of people she met on her travels and her dangerous encounters as she peeled away the layers and repetition of an old life to reveal her real and confident self. A new, refreshed and distinctive lens of self-discovery. **Courage Quest** reveals a story of personal growth that is both uplifting and inspiring. Sally's story offers encouragement to others, regardless of age or gender, to understand and overcome fear of the unknown. The reader may find a path within this memoir to explore how to reinvent theirs. **Reviews** Review on Goodreads by John Enemark March 10, 2014. **Courage Quest** describes the journeys of Sally Demasi, a middle-aged woman who, after divorce and becoming increasingly unfulfilled working in the corporate world, decides that she needs to find courage within herself to break free from that existence by traveling much of the world on her own with only a backpack and God's good grace to reach her goal of discovering a new meaning to her life. Demasi's book poignantly illustrates her journey traveling the world such as paddling 100 miles down the Amazon, suffering severe physical pain and intestinal parasites, walking extremely dangerous neighborhoods of Athens, traveling Africa and the Middle East, and Peru, documenting in great detail the people she met and made new relationships with, carrying with her only the bare necessities in her backpack and staying in local hostels among real people of the region. Sally's writings held my interest from beginning to end and the book includes beautiful photography of the people and landscapes throughout her journeys. I highly recommend **Courage Quest** to anyone who would ever wonder what life is really like outside of the comfort and luxury of the USA. Dania Van Schuyler, designer and traveler. Unexpected beauty unfolds in dangerous circumstances in Sally DeMasi's new book **Courage Quest**. Through her recollections of solo adventure travel, she experiences personal growth with newly found courage extracted from being forced out of her comfort zone. I enjoyed learning of fascinating places and people as though I had been packed in her super light backpack, going along for the ride and anxiously awaiting the outcome. Thea Belecz Sally DeMasi distills her extensive experience in global traveling into challenging adventures. I did not realize at the time that I was visiting one of the most important sacred sites in the world to heal the body, enlighten the mind, and inspire the heart. Ms. DeMasi's experiences will do the same for you not only through reading the text but following her footsteps and suggestions at the end of the book. **Genshin Impact - Strategy Guide** GamerGuides.com, 2021-02-24. BESTSELLER REESE S BOOK CLUB PICK A timely and important book that challenges everything we think we know about cultivating true belonging in our communities organizations and culture from the 1 bestselling author of Rising Strong Daring Greatly and The Gifts of Imperfection Don t miss the five part Max docuseries Bren Brown Atlas of the Heart True belonging doesn t require us to change who we are It requires us to be who we are Social scientist Bren Brown PhD MSW has sparked a global conversation about the experiences that bring meaning to our lives experiences of courage vulnerability

love belonging shame and empathy In Braving the Wilderness Brown redefines what it means to truly belong in an age of increased polarization With her trademark mix of research storytelling and honesty Brown will again change the cultural conversation while mapping a clear path to true belonging Brown argues that we're experiencing a spiritual crisis of disconnection and introduces four practices of true belonging that challenge everything we believe about ourselves and each other She writes True belonging requires us to believe in and belong to ourselves so fully that we can find sacredness both in being a part of something and in standing alone when necessary But in a culture that's rife with perfectionism and pleasing and with the erosion of civility it's easy to stay quiet hide in our ideological bunkers or fit in rather than show up as our true selves and brave the wilderness of uncertainty and criticism But true belonging is not something we negotiate or accomplish with others it's a daily practice that demands integrity and authenticity It's a personal commitment that we carry in our hearts Brown offers us the clarity and courage we need to find our way back to ourselves and to each other And that path cuts right through the wilderness Brown writes The wilderness is an untamed unpredictable place of solitude and searching It is a place as dangerous as it is breathtaking a place as sought after as it is feared But it turns out to be the place of true belonging and it's the bravest and most sacred place you will ever stand     **A Guide to Literature for Character Training**
