## **Court Transcripts A Window On The Criminal Justice System:**

**Court Transcripts** Deborah J. Klein,2012-12-14      **Juries, Lay Judges, and Mixed Courts** Sanja Kutnjak Ivković,Shari Seidman Diamond,Valerie P. Hans,Nancy S. Marder,2021-07-29 Offers a comprehensive and comparative picture of how countries around the globe use ordinary citizens to decide criminal cases

**Homicide, Race, and Justice in the American West, 1880-1920** Clare V. McKenna,2022-05-10 In a chilling scene in the film *Unforgiven* Clint Eastwood as the gunman stands over a wounded Gene Hackman the sheriff aiming a rifle at his head I don t deserve this to die like this says Hackman Eastwood replies Deserve s got nothing to do with it cocks his rifle and fires point blank at his helpless victim This scenario dramatically brings home to the viewer what historians have long debated and hundreds of other films and books suggest the turn of the century West was a violent time and place Ranchers miners deputy sheriffs teenagers and old men occasionally even housewives and mothers found themselves at the business end of a shotgun or a 38 revolver Yet since western historians tend to portray violence as essentially episodic frontier gunfights range wars vigilante movements and the like solid data has been hard to come by As a beginning point for actually measuring lethal violence and assessing the administration of justice here at last is a detailed and well documented study of homicide in the American West Comparing data from representative areas Douglas County Nebraska Las Animas County Colorado and Gila County Arizona this book reveals a level of violence far greater than many historians have believed even surpassing eastern cities like New York and Boston Clashing cultures and transient populations a boomtown mentality easy availability of alcohol and firearms these and many other factors come under scrutiny as catalysts in the violence that permeated the region By comparing homicide data including coroner s inquests indictments plea bargains and sentences across both racial and regional lines the book also offers persuasive evidence that criminal justice systems of the Old West were weighted heavily in favor of defendants who were white and against those who were African American Native American or Mexican Packed with information this is a book for students and scholars of western history social history criminology and justice studies Western history buffs will be captivated by colorful anecdotes about the real West where guns could and did blaze over anything from love trysts to vendettas to too much foam on the beer From whatever perspective all readers are sure to find here a well constructed framework for understanding the West as it was and for interpreting the region as it moves into the future

**Pursuing Play** Rebecca Beausaert,2024-09-13 Levelling the playing field Life in the Canadian countryside at the turn of the twentieth century is often generalized as insular backwards and arduous These assumptions are redressed in Rebecca Beausaert s *Pursuing Play* which highlights the complexity of small town culture through a lively examination of women s efforts to negotiate space for themselves and their leisure pursuits Amply illustrated *Pursuing Play* draws on diaries letters newspapers and census records to investigate women s recreational activities in three southern Ontario towns Dresden Tillsonburg and Elora between 1870 1914 Though women s recreational choices were restricted by pervasive ideas about propriety Beausaert

reveals how they increasingly spearheaded both formal and informal clubs events and social gatherings and integrated them into their daily lives In telling the story of what small town women did for fun while navigating social hierarchies nurturing ties of kinship and friendship and advancing community development Pursuing Play adds a new dimension to Canadian histories of gender leisure and popular culture Encompassing public and private pastimes the growth of sports the phenomenon of armchair travelling and the ease with which recreation can slip from reputable to disreputable this rich study uncovers how gender class and ethnicity shaped the nature and scope of women's leisure in small town Ontario and beyond

**The Limbs In The Loch Murderer** Greg Patrick,2011-01-04 In December 1999 as Scotland prepared for the biggest Hogmanay of all time a gruesome discovery was made by a police diving team on a training exercise in Loch Lomond One by one limbs from a cadaver were found and brought to the surface Days later a severed head was washed up on a beach in western Scotland and forensically matched with the limbs Police soon had a prime suspect for the murder William Beggs But how had they been able to ascertain that it was Beggs right from the start Just eight years earlier Beggs had met Brian McQuillan at a disco and the pair had returned to Beggs flat He had set upon McQuillan with a knife slashing him severely on the body but brave McQuillan escaped with his life by leaping through a first floor window Beggs was jailed for six years for the attack and once released was kept under the watchful eye of Strathclyde police This in depth and fascinating book investigates Beggs from his somewhat ordinary days as a member of the Young Conservatives through to his eventual conviction and incarceration for the horrific murder of Barry Wallace It examines how he managed to create an air of respectability around himself while perpetrating the most vicious of crimes it looks at how following the attack on McQuillan police became aware that they had a serial killer in the making on their hands and how from behind bars Beggs still manages to make headlines     *District of Columbia Appropriations for Fiscal Year 1996* United States.
