*Family Under Construction* Walter Hallam, 1999 Knowledge is power when taken from the wisdom of God's Word. Walter Hallam puts this power into the hands of his readers so they can understand how successful families are built and maintained. As these principles are applied to family relationships, the church will see God transform the ordinary into the extraordinary. Building on Pastor Hallam's personal experiences and years of teaching, the pages of this book explore what it means to put Jesus in the midst of the family. Readers will discover the value of learning to yield to God's plan, not with false spirituality or partial obedience, but in complete surrender. They will learn the principles of raising a family in the fear of the Lord and by the power of the Holy Spirit. And finally, they will be shown the importance of listening for the timing of God, even when it defies all odds. This blueprint to marriage and parenting is a necessity for building strong, successful families whose example will influence generations to come.
