The New Covenant and the Fractured Gospel Russell A. Young,2025-11-04 What if the version of the gospel you ve been taught isn t the one God actually revealed Many believers today confuse God s New Covenant with the one promised to the remnant of Judah and Israel or else reduce it to a doctrine of love and grace stripped of its transformative demands As a result the New Covenant s true terms purpose and method of fulfillment have been blurred and many people s eternal future is in peril Drawing directly from Scripture this book cuts through the confusion by presenting a clear Spirit led understanding of the New Covenant of the Spirit 2 Cor 3 6 It examines the covenant s core attributes challenges conventional interpretations of the gospel and reveals the righteous requirements for entering God s eternal kingdom Faith in Christ is not passive but calls for a whole hearted commitment body soul and mind Furthermore true obedience to the Spirit brings about the renewal of the mind and transformation into Christ s likeness an essential conversion for those who would like to dwell in the New Jerusalem Judgment awaits every person according to their deeds But God s wrath can be avoided Grace is not a loophole it is a divine gift and repentance must be genuine This book invites readers to take seriously the call to righteousness to understand grace as God defines it and to prepare for the kingdom where holiness is both the standard and the joy of eternal life with Christ and the saints The New Covenant ,1901 **The Old Covenant, Commonly Called the Old Testament** ,1904 The Worship of the Old Covenant Considered More Especially in Relation to that of the New Edward Francis Willis,1880 **The Rainbow Covenant** Richard Hoffman,2020-06-18 All of God s physical Creation reflects a higher spiritual Reality In that Creation light is synonymous with Truth or God who is the source of Truth It should surprise no one that when you unwrap light to find the Rainbow the Rainbow gives a detailed account of what God is all about He is about loving and saving mankind by wooing them into the Rainbow Covenant of Marriage From the red blood sacrifice of the Gospel Truth of Jesus to the purple royalty of the Holy Spirit God s constant and repeated message is that there is only one way to attain the purple royalty that is God s That way is through faith in the red blood sacrifice of Jesus as the propitiation for our sins He is the only gate or door into the Rainbow Covenant We are all spiritual Cinderella s enslaved to the 3 evil

stepsisters of the world the flesh and the Devil But the Prince can raise us up out of the ashes and into the beauty of a royal mansion There is another option however We can reject God s suit and pursue a life of self will We know that marriage means the death of self will This book describes the Dark Path of Separation from God that is the shadow opposite of the Rainbow Covenant of Marriage Cain was the first to tread this path to its bitter end which for mankind in this Age of Engagement is incontrovertible sentencing or engagement to separation from God in the Lake of Fire But it is God s will that all be saved There s more than enough room in the lifeboat that I choose to call The Rainbow Covenant **Book of Family Prayer** bp.
