LEARN THE EXACT THINGS YOU NEED TO DO WHEN YOU ARE NOT GETTING THAT LIFE CHANGING CALL

Mike was a sales rep at one of the big firms in the Marketing industry. He is an ambitious fellow so he improved on himself constantly. All in preparation for a career change. Finally he was ready. And that was when he encountered a problem he never envisaged. It seemed like none of his applications got delivered because he never got a call to attend an interview, not even ONE. He was deeply disturbed. He had all the necessary requirements for every single one of the jobs he'd applied for, so what could be stopping him from getting interviews? Mike went back to the drawing board but he couldn't find what he was doing wrong. His resume seemed perfect: a few tips here and a few tricks there, guaranteed that He was certain that NOTHING could be wrong with his resume. He tightened his belt, adjusted his large black tie and doubled down with more efforts. Now he even started applying for jobs that were beneath his qualifications. Still nothing. Several weeks went by without a single call from any of the job applications he'd applied for. Not even from the ones he was overqualified for. Frustration began to eat away at him. He started losing faith in the resume he'd crafted with so many tips and tricks. Perhaps something was wrong with it after all. Acknowledging the possibility of a problem, he went in search of a solution. And that was when he found the resources contained in this book. He realized that there were more profound guidelines and strategies for crafting an excellent resume that gets results. And in no time he knew exactly what he was doing wrong. He followed the guidelines and changed things for the better to create a resume that looks crisp and professional. And the result?
