Her father and the employees she's known all her life are depending on her to bring in enough business to save the struggling company. When she meets sexy rancher and potential client Brady McLeod, she never expects to fall for a man rooted to his land. Brady is intrigued by the leggy redhead and can't get her out of his head. He finds any excuse to spend time with her, even though her desire to travel for a living reminds him of the woman who left him at the altar. When the bed and breakfast she's been staying at burns down, he offers her a room on his ranch. What starts out as a short term stay evolves into something much more. Tragedy strikes and Abby turns her back on what might have been with Brady. Now it's up to him to prove they can still be together and that she needs him as much as he needs her. *Country Mist* In this cowboy romance will an event planner who lost a firefighter boyfriend let herself fall for another hero. When rancher Tyson Donovan steps forward to protect a woman from a couple of degenerates closing in on her, he discovers their target is Haylee McLeod. When she declares she can take care of herself, her spunk and determination intrigue him. Tyson is handsome, but he's also a wild card. His heroic nature sometimes places his life in danger.
