students Matthew knew that this was the impact he wanted to create Matthew started to teach for Kaya Online having his work translated into multiple languages for Ekim Kaya's 100 000 students Within just a few years of learning from Ekim Kaya Matthew was financially independent Matthew wants his story to inspire people that no matter the history of their education no matter how much debt they're in no matter what their current circumstances anyone can change the future of their education Gumke University The Future of Education
