**Cotswolds Town and Village Guide** Peter Titchmarsh, 2014-01-05    Cotswold Villages Stephen Dorey, John

Mannion, 2008-07 Presented by a landscape photographer this title takes a tour of the charming villages of the Cotswolds It contains more than 250 photographs    The Illustrated Cotswold Guide Peter Reardon, 2013 An A Z illustrated guide to what you can see in the Cotswolds with word and pen the Author describes this wonderful part of England From the strange sounding Cotswold towns and villages such as Acton Turville and Wyck Rissington with this guide you will be shown sides of the Cotswolds that the average visitor often misses the text is brought to life with well over 100 pen and ink sketches of Gargoyles and Hobbit like church entrances Public monuments to medieval punishment tools Castles to Magic stones a life time of local knowledge has gone into this book This book is dedicated to the memory of a great Cotswold artist Peter Reardon Many people will remember seeing Peter's work not only in many Cotswold books but also as regular features in local newspapers The poem on the back cover The Cotswolds is a special creation for us by Cotswold poet and family friend Alfred King This book is not only a great guide to the Cotswolds but a real product of this wonderful part of England as it has been written illustrated designed printed and published all within the Cotswold area The Cotswolds The beauty of the Cotswolds is not new It is not something that has just come about recently It is you might even say as old as the hills themselves To the visitor from other parts it has a unique splendor all its own To those fortunate enough to live here it is seen in a different way Through the ages this beauty has been captured by the artist's brush the pen of the writer and in more recent times the camera lens of the photographer There are many fine paintings in existence of the great country houses in wonderful settings and much has been written of the towns and villages of the Cotswolds But it is not only beauty to be found in these hills they are rich in history also The Romans came stayed a while and then left They were about the first to leave us monuments of their advanced way of life that we can understand today Then came the Saxons the Danes and the Normans Each left something by which to remember them In more recent times great houses have been built and are there for all to see each giving something to history and in particular the Cotswolds Some of these features have been included in this book so that you can be acquainted in words and pictures with but a few of the details that make up the wonderful story of these hills The Cotswolds intriguing majestic even cruel in its own way There is a bigness that is breathtaking especially during the summer a loneliness that can be frightening during the winter but always a grandeur as powerful as an exciting tale that not one little bit must be missed Perhaps early man found the excitement of these hills a good reason for settling in them They offered a natural fortification in many instances for settlements often with views over the valley of the Severn where animals could be hunted and fish caught in the river There were also numerous small rivers which offered fish water and game It is hoped that your visit to the Cotswolds will be most enjoyable and if with the help of these pages more memorable then the object of this publication will have been achieved    Cotswold Villages June Rosemarie Lewis, 1980

Visitor's Guide to the English Cotswolds, 2013-07-09 If you're planning a visit to the English Cotswolds you'll find this guide to be a valuable resource. More than 130 photographs are included. The English Cotswolds are a chain of undulating limestone foothills that encompass a quiet, idyllic world of sleepy little towns and villages nestled among the hills and dales. Rising to just over 1,000 feet at the highest point on Cleeve Hill, the Cotswolds are spread across a half dozen West Midland counties including Gloucestershire, Avon, Wiltshire, Hereford and Worcester, and Oxfordshire. For more than 90 miles from Meon Hill just six miles south of Stratford Upon Avon they stretch westward across the heart of England all the way to the great Roman city Bath. For more than a thousand years these pastoral rolling hills have been home to more to farmers and shepherds and well to me. Please allow me to introduce you to my Cotswolds. Yes we'll visit all the well known and not to be missed spots along the way but I'll take you to places off the beaten path places that very few visitors to the Cotswolds ever get to visit. Chipping Campden, Broadway, Stanton, Stanway, Snowhill, Bourton on the Water, Stow on the Wold, Naunton, Northleach, Chedworth, The Slaughters, Buckland, Winchcombe, Burford, Cirencester, and Bath are just some of the towns we'll visit. There's an air of timelessness among these ancient hills, honey colored towns, villages, and cottages. This is then was my world, a world quite different to that you'll find described in the average guide book to the Cotswolds. I see the Cotswolds even the well known sites through different eyes than do the tour guides that steer the visitors from one well worn site to the next never deviating from the pre set tour of what they think you should see. But there's more so much more. The historic sites and attractions we'll visit along the way include Bellas Knap, an ancient long barrow burial mound, the Rollright Stones, a prehistoric stone circle you're not likely to find in any other guide book, the lavender farm at Snowhill, the visually stunning ruins of the Roman Villa at Chedworth, Sudeley Castle, home of Queen Catherine Parr, last wife of Henry VIII, the ruins of

Hailes Abbey Broadway Tower Wells Cathedral the Great Tithe Barn at Littleton the Fleece Inn at Bretforton one of England's oldest pubs the Roman Baths at Bath Wickhamford where you can visit the tomb of one of George Washington's relatives and many more too numerous to mention here You'll find information about where to stay and where to eat pubs inns hotels and bed breakfast houses All the information you need to successfully plan your visit to the Cotswolds *Visitor's Guide to the English Cotswolds* Blair Howard, 2016-10-16 This is the COLOR EDITION Color photos throughout If you're planning a visit to the English Cotswolds you'll find this guide to be a valuable resource The English Cotswolds are a chain of undulating limestone foothills that encompass a quiet idyllic world of sleepy little towns and villages nestled among the hills and dales Rising to just over 1 000 feet at the highest point on Cleeve Hill the Cotswolds are spread across a half dozen West Midland counties including Gloucestershire Avon Wiltshire Hereford and Worcester and Oxfordshire For more than 90 miles from Meon Hill just six miles south of Stratford Upon Avon they stretch westward across the heart of England all the way to the great Roman city Bath For more than a thousand years these pastoral rolling hills have been home to more to farmers and shepherds and well to me Please allow me to introduce you to my Cotswolds Yes we'll visit all the well known and not to be missed spots along the way but I'll take you to places off the beaten path places that very few visitors to the Cotswolds ever get to visit Chipping Campden Broadway Stanton Stanway Snowhill Bourton on the Water Stow on the Wold Naunton Northleach Chedworth The Slaughters Buckland Winchcombe Burford Cirencester and Bath are just some of the towns we'll visit There's an air of timelessness among these ancient hills honey colored towns villages and cottages This then was my world a world quite different to that you'll find described in the average guide book to the Cotswolds I see the Cotswolds even the well known sites through different eyes than do the tour guides that steer the visitors from one well worn site to the next never deviating from the pre set tour of what they think you should see But there's more so much more The historic sites and attractions we'll visit along the way include Bellas Knap an ancient long barrow burial mound the Rollright Stones a prehistoric stone circle you're not likely to find in any other guide book the lavender farm at Snowhill the visually stunning ruins of the Roman Villa at Chedworth Sudeley Castle home of Queen Catherine Parr last wife of Henry VIII the ruins of Hailes Abbey Broadway Tower Wells Cathedral the Great Tithe Barn at Littleton the Fleece Inn at Bretforton one of England's oldest pubs the Roman Baths at Bath Wickhamford where you can visit the tomb of one of George Washington's relatives and many more too numerous to mention here You'll find information about where to stay and where to eat pubs inns hotels and bed breakfast houses All the information you need to successfully plan your visit to the Cotswolds
