Working with Children and Parents through Separation and Divorce Emilia Dowling,Gill Gorell Barnes,2020-04-28 Supporting children and families through separation and divorce is a major area of concern in contemporary society However it is sometimes hard for those professionals who are helping families to hear the voice of the child in this process Writing from their wide experience as clinicians working with children and families Emilia Dowling and Gill Gorell Barnes set out in this book to address this gap and allow the child to be heard Working with Children and Parents through Separation and Divorce combines research with

clinical and practical approaches to working with families going through stressful changes linked to separation or divorce. Attention is given to the wider context of children's lives with the implications for general practice schools and other services addressed in special chapters. A focused approach to divorce related problems that takes each family member's view into account is illustrated. Combining individual and family work helps parents to resolve difficulties enabling children troubled by parental separation to progress with their own lives. This book is essential reading for front line professionals as well as specialists who encounter children and families going through this life transition in the course of their work.

Family Therapy in Changing Times Gill Gorell Barnes, 2017-03-14 The new edition of this well known text addresses the plurality of family life today and considers the way in which the changeable theory of family has influenced the approaches of those working with families. The emphasis in this 2nd edition is on working in a context of cultural diversity and in which life transitions such as marriage, divorce and bereavement affect the lives of all families be they multi or lone parent, gay or heterosexual. This is an essential text for therapists and counsellors both in training and in practice who work with families.

Working With Eating Disorders Geraldine Shipton, 2017-03-14 Eating disorders such as anorexia and bulimia are increasingly prevalent in today's society and of great concern to a wide range of health related professionals including counsellors and psychotherapists. This important new text written in an intelligent yet accessible style provides an authoritative and practical introduction to therapeutic work with this large client group. Taking a psychodynamic approach, Working with Eating Disorders also embraces an appreciation of cultural influences and uniquely illustrates the context of eating disorders in today's society.

Although disability is of concern to us all very little attention has been paid to the felt experience of the disabled person and the ways in which psychotherapy might be constructively utilised. Disability Counselling and Psychotherapy directly addresses this gap and taking a life span perspective and a psychoanalytic approach actively explores the challenges and opportunities of disability to therapy the caring professions and society more widely. Shula Wilson introduces a model aimed at achieving autonomy that is based on the significance of the primary mother baby relationship and the awareness of human mortality. In doing so she offers a new way of relating to disabled people and working through unanswerable questions such as those raised by Joe above. She also challenges attitudes and reactions to controversial issues such as sex, death and the mystery behind altering body image and

brings to the surface the desires hopes and frustrations of disabled people living in an environment ridden with fears and prejudices With its lively case discussion and clear theoretical base Disability Counselling and Psychotherapy is a vital resource for all practising professionals and trainees Proceedings of the British Psychological Society British Psychological Society,2005
