

An abstract painting with a complex, layered composition. The background features a light blue sky with white clouds. Below the sky, there are several vertical, translucent blue and white streaks that resemble rain or falling water. In the foreground, there is a dense, textured area of warm colors, including reds, oranges, yellows, and browns, which looks like a field of flowers or a forest floor. The overall style is impressionistic and expressive, with visible brushstrokes and a rich, textured surface.

## **Countless Joys The Place Beyond Tears:**

Countless Joys Devaney Rae, 2015-05-28 You can discover many simple joys in life to be thankful for no matter how you feel or how many tears fall from your eyes today How can it be I asked myself that at thirty eight years of age Im watching all of my dreams crash into a giant brick wall How will those I love the most deal with this news What about our plans for continuing to do the work of the Lord How will we finish the business plan that we have in full motion Maybe the other ovary is okay and I will still be able to have my first child before this gets really crazy All of these life impacting questions assaulted my mind I felt a strong arm around my waist and heard my doctors voice say Devaney are you okay can you hear me The entire experience was like watching a horror movie programmed on fast forward But at some point a massive wave of calmness sweetly enveloped me like a thick fog and it calmed the raging sea Time came to a screeching halt and the issues of life love and relationships were narrowed to those that held eternal value Many years after that fateful day of my cancer diagnosis in 2002 I can now say with assurance that I am an ordinary girl but with an extraordinary calling and life in Christ I have experienced how God calls ordinary people regular girls and guys to do extraordinary things for Him Not all extraordinary things are packaged in missionary work abroad or preaching the gospel Some include a simple faith filled walk of perseverance and strength through sudden and extended suffering and loss In the callings of God some of the greatest impacts for His kingdom are the people who are called into action and those who are affected because of the one who is simply persevering and enduring Heaven surely holds the treasures of each of these beautiful overcoming life works I am thankful and blessed to have been called to walk in a small portion of His field And so are you whether you see it clearly today or not Be inspired to relentlessly pursue joy Beyond the Place of Your Tears **The Peacemaker's Path** Jerry

Zehr, 2021-08-24 Now more than ever people are painfully divided politically religiously and culturally And yet there is a commonality in our faith traditions that can help us turn away from polarization and create a greater sense of community in which our differences are honored The Peacemaker s Path brings together wisdom from the world s major religious traditions including Bah Buddhism Christianity Hinduism Islam Jainism Judaism Native American spiritualities Sikhism Taoism and Zoroastrianism showing that we have much more in common than what divides us Through daily readings that explore the tenets teachings writings and prayers of these diverse faith traditions you will gain new insight understanding and connection with people from different religious backgrounds Each day offers a reflection scripture passages from the world s religions questions to contemplate a call to action and a closing prayer May we realize the tremendous importance of building bridges of peace in our own lives our communities and our world Loving our friends is easy loving the other will bring shalom The Free Methodist ,1900 *Beyond Life's Storms* Isabel Cuerrier, 2004-06 A powerful account of a mother s loss the death of her daughter Starr and subsequent healing journey **The Watchman-examiner** ,1930
