**Satan's Counterfeit Healing** Lawrence E. Burkholder, 2019-09-30 The Christian church worldwide has been taken prisoner by Satan s counterfeit healing This statement is based on the author s personal experience modest exposure to the Toronto Blessing observation of parachurch healing ministries and extensive historical reconstructions Satan s Counterfeit Healing presents and evaluates Satan s supernatural healing from the Paleolithic period ca 45000 BCE to the contemporary church The guiding thesis is that Satan and his demonic surrogates perform miracles which are evident as psi paranormal phenomena These manifestations include physical and exorcistic supernatural healings Paleolithic and Neolithic periods produced Great Mother goddess worship and healing which have persisted ever since These idolatries combined with OT nature gods were a backdrop to Jesus true miracles For two thousand years of church history there s been a tug of war between true and false healing Mother goddess as Mariological shrine healing joined with natural and demonic magic and esoteric energy psi Alongside these the Holy Spirit has raised up genuine healers and their ministries Modern healing is marked by energy counterfeits and faith healing the latter especially accompanied by trance false prophecy and psi transformations True divine healing can be recovered when Christians repudiate nature gods reject false prophecy and restore proper eschatology [Leaves of Healing](#) ,1930 [Bible Basics - If God Can Heal His People, Why Is the Church So](#)

Conspiracy Theorizing Gerald Arbuckle,2024-05-01 Conspiracy Theorizing explore how should individuals with the Christian faith should react to conspiracy theories their untruths and their dangers This book outlines the way that conspiracy theories are the fundamental basis for this stigmatization and scapegoating It goes further to explain that scapegoating is fostering extreme divisions within in societies and between nations with each side often demonizing the other This book states how conspiracy theories satisfy people s needs for certainty security and a positive self image in a world they feel is disintegrating Uncovering deeper when the comforting securities of cultures crumble paranoia makes sense This book demonstrates that an inability to live with uncertainty and ambiguity draws people to conspiracy theories when they validate their apprehensions The commentary in this book also validates that since conspiracy theories can never be verified by objective research and truths they are one of the most problematic subjects to expose This book aims to answer these questions What are conspiracy theories Why do they arise especially in times of cultural upheavals Are they harmful What do the Christian Scriptures say about them Readers that are interested in religion Christianity and conspiracy theories would enjoy this book
