Carbon Capture and Storage in the United Kingdom Marc Hudson,2024-03-27 This book is a concise but comprehensive guide to the history present and possible futures of carbon capture and storage policy and action in the United Kingdom UK There have been multiple failed starts promises and last chances for carbon capture and storage CCS in Europe North America China and Australia but thus far it has repeatedly collided with the political and economic realities that the technology is too expensive and complicated to gain and keep policymakers support However in the UK that might be changing with explicit government support for CCS to help decarbonise industry Set within the broader context of global interest in CCS this book first outlines the technologies involved in the types of capture technology transport options and storage options in the UK It then briefly introduces an overarching policy analysis framework John Kingdon s multiple streams approach and uses it to give an account of the long history of CCS interest and efforts in three chapters covering the 1970s to 2002 2003 to 2015 and 2016 to the present day Marc Hudson focusses on the various arguments made for the introduction of CCS and the slowly shifting coalitions of actors who make those arguments while contrasting these with the perspectives of those opposed to CCS This book will be of great interest to students scholars and policymakers researching and working in the field as well as the related areas of energy policy energy transitions and climate change

Producing Children Peter C. Kunze,Victoria Ford Smith,2025-04-15 Producing Children imagines the possibility indeed the inevitability of a creative relation between children as producers and consumers by revising the long established hierarchical relation between adults and children The chapters in this collection reveal that studying child produced culture complicates our received understandings of children s culture as culture by adults for children about children They also underscore children s literature as a cultural phenomenon that moves across and beyond genres forms and media As a whole this collection reveals that attention to child produced culture invites dialogue and collaboration across fields and disciplines invested in the critical understanding of children as embodied beings and childhood as both a stage of development and discursive construct with social political economic and cultural dimensions and influence With the ongoing vibrancy of childhood studies as a multidisciplinary area of inquiry studies of child produced culture provide scholars with an exciting opportunity to complicate enrich and expand theorization of childhood creativity children s culture and even children themselves

Impact of Influencer Marketing on Young Women's

Customer Experience on Cosmetic Products Jule Prescher, 2023-06-06 Bachelor Thesis from the year 2023 in the subject Communications Multimedia Internet New Technologies grade 1 3 University of applied sciences Cologne language English abstract This thesis aims to realize how influencer marketing performs and its impact on the Cx Therefore the research addresses the following questions How powerful are influencers these days What is different about influencer marketing and why is it a successful strategy How do people perceive information shared by influencers and which factors are decisive for potential customers to purchase products advertised by influencers What impact does an influencer have on the overall Cx The internet has been fully integrated into people's daily lives worldwide over the past years The percentage of the world's population with access to the internet has doubled from 32% in 2011 to 63% in 2021 90% of people from developed countries access the internet in 2021 At the same time the number of social network users is increasing These networks have the purpose of connecting with friends In 2022 5 billion people have access to the internet worldwide and 4 7 billion people use social media SM Ultimately 93% of those with internet access own at least one SM account that is more than half the population worldwide Through time companies found new marketing strategies which reached active people on SM These platforms are necessary to reach Generation Z people born in the late 1990s They are different and cannot be reached in the same way as they watch Netflix instead of TV or listen to Spotify instead of the radio for example Influencer marketing became a 10 billion industry in 2020 Influencers share their lives on SM networks Due to their high reach they receive offers from companies for cooperation Influencers followers admire and trust their recommendations due to their personal and authentic representation While advertising products influencers show how to use them where to buy them and give their opinion For higher sales influencers often receive promo codes for a discount or free products for each order

All in Her

Head Elizabeth Comen, 2024-02-13 Finalist for the 2025 PEN E O Wilson Literary Science Writing Award USA Today Bestseller All in Her Head accomplishes a remarkable feat of storytelling By combining essential medical histories about women's bodies with all the narrative propulsion of a medical thriller Comen has written a must read compelling and important book Siddhartha Mukherjee Pulitzer Prize winning author of The Emperor of All Maladies and The Song of the Cell Wow This book will upend everything you thought you knew about your body while empowering you to make better decisions moving forward Through storytelling extensive research and easy recommendations Dr Elizabeth Comen has given us all a priceless road map to reclaim our agency Eve Rodsky author of Fair Play A surprising groundbreaking and fiercely entertaining medical history that is both a collective narrative of women's bodies and a call to action for a new conversation around women's health For as long as medicine has been a practice women's bodies have been treated like objects to be

practiced on examined and ignored idealized and sexualized shamed subjugated mutilated and dismissed The history of women s healthcare is a story in which women themselves have too often been voiceless a narrative instead written from the perspective of men who styled themselves as authorities on the female of the species yet uninformed by women s own voices thoughts fears pain and experiences The result is a cultural and societal legacy that continues to shape the mis treatment and care of women While the modern age has seen significant advancements in the medical field the notion that female bodies are flawed inversions of the male ideal lingers on as do the pervasive societal stigmas and lingering ignorance that shape women s health and relationships with their own bodies Memorial Sloan Kettering oncologist and medical historian Dr Elizabeth Comen draws back the curtain on the collective medical history of women to reintroduce us to our whole bodies how they work the actual doctors and patients whose perspectives and experiences laid the foundation for today s medical thought and the many oversights that still remain unaddressed With a physician s knowledge and empathy Dr Comen follows the road map of the eleven organ systems to share unique and untold stories drawing upon medical texts and journals interviews with expert physicians as well as her own experience treating thousands of women Empowering women to better understand ourselves and advocate for care that prioritizes healthy and joyful lives for us and generations to come All in Her Head is written with humor wisdom and deep scientific and cultural insight Eye opening sometimes enraging yet always captivating this shared memoir of women s medical history is an essential contribution to a holistic understanding and much needed reclaiming of women s history and bodies
