Over 125 original recipes provide clear instructions for such delights as crusty farm breads, peasant one-pot dinners, luscious spring soups and light, sophisticated salads made with regional specialties like spelt and hickory nuts. Now more than ever, Americans are seeking the healthful foods associated with the Pennsylvania Dutch concept of Bodegeschnack or having the taste or flavor of the land. The heartland of this cookery style is a 15 county area in southeastern Pennsylvania but it also spreads deep into the Midwest, the upper South and Canada and includes the Amish, Mennonites and Moravians among other peoples. **The Boat Galley Cookbook: 800 Everyday Recipes and Essential Tips for Cooking Aboard : 800 Everyday Recipes and Essential Tips for Cooking Aboard** Carolyn Shearlock, Jan Irons, 2012-09-14. No matter what anyone tells you, boat cooking IS different from cooking ashore. The space is smaller, there's no grocery store 5 minutes away, you have fewer prepared foods and electric appliances and food storage is much different. Despite cruising different oceans, we Jan and Carolyn both faced the same challenges: eating well while having time to enjoy all the other great aspects of cruising. We love to snorkel, swim, kayak, explore and just sit and admire the view. We learned with the cookbooks we both had aboard and wished for information that wasn't available like when Jan ended up with a frozen chicken complete with head and feet and no instructions on how to cut it up. When we couldn't get foods such as sour cream, English muffins, spaghetti sauce or yogurt, we adapted recipes to make our own. Other times we experimented with substituting ingredients; maybe the result wasn't identical but it was still tasty. We ended up with over 150 substitutions and dozens of make-it-yourself options. As we traded recipes and knowledge with each other, we realized we were compiling information that became **The Boat Galley Cookbook**. 800 recipes made from readily obtainable ingredients with hand utensils, including numerous choices to suit every taste, not just one cake but 20-16 ways to prepare fish, 10 regional barbecue sauces and so on. Step-by-step directions to give

even non cooks the confidence they can turn out tasty meals without prepared foods Detailed instructions on unfamiliar things like making yogurt and bread grilling virtually every food imaginable preparing and cooking freshly caught fish and seafood cutting up and boning meat cooking in a Thermos and baking on the stove top as well as lots of tips on how to do things more easily in a tiny moving kitchen All this in an easy to navigate format including side tabs on the Contents to help you find your way and extensive cross reference lists at the end of each chapter Quick Reference Lists provide idea starters suggestions of included recipes for such categories as Mexican Asian and Potluck The Boat Galley Cookbook is designed to help you every step of the way We hope it becomes a trusted reference on your boat and a source of many enjoyable meals
