Chase Online Problems:

Solving Public Problems Beth Simone Noveck, 2021-06-22 How to take advantage of technology data and the collective wisdom in our communities to design powerful solutions to contemporary problems The challenges societies face today from inequality to climate change to systemic racism cannot be solved with yesterday's toolkit *Solving Public Problems* shows how readers can take advantage of digital technology data and the collective wisdom of our communities to design and deliver powerful solutions to contemporary problems Offering a radical rethinking of the role of the public servant and the skills of the public workforce this book is about the vast gap between failing public institutions and the huge number of public entrepreneurs doing extraordinary things and how to close that gap Drawing on lessons learned from decades of advising global leaders and from original interviews and surveys of thousands of public problem solvers Beth Simone Noveck provides a practical guide for public servants community leaders students and activists to become more effective equitable and inclusive leaders and repair our troubled twenty first century world

The Social Fact John P. Wihbey, 2019-04-16 How the structure of news information and knowledge is evolving and how news media can foster social connection While the public believes that journalism remains crucial for democracy there is a general sense that the news media are performing this role poorly In *The Social Fact* John Wihbey makes the case that journalism can better serve democracy by focusing on ways of fostering social connection Wihbey explores how the structure of news information and knowledge and their flow through society are changing and he considers ways in which news media can demonstrate the highest possible societal value in the context of these changes Wihbey examines network science as well as the interplay between information and communications technologies ICTs and the structure of knowledge in society He discusses the underlying patterns that characterize our increasingly networked world of information with its viral phenomena and whiplash inducing trends its extremes and surprises How can the traditional media world be reconciled with the world of social peer to peer platforms crowdsourcing and user generated content Wihbey outlines a synthesis for news producers and advocates innovation in approach form and purpose *The Social Fact* provides a valuable framework for doing audience engaged media work of many kinds in our networked hybrid media environment It will be of interest to all those concerned about the future of news and public affairs
