*Seeking (HC)* Jessica Reed, 2021-02-03 *Seeking HC* By Jessica Reed Never short on cash for fun games or funding her education and without reason other than peer pressure Tori naively takes the bait of a rationalizing friend who leads their group of 5 co eds down a path signing up for the online dating platform Seeking Arrangements where wealthy men and women seek to establish mistress styles relationships No it s not prostitution and it s not criminal It s fun and the men crave or deserve this treatment Or so Tori thought After a series of bad decisions that only money and over confidence can buy Victoria has lost herself only to re find herself in the classroom of Arthur Tomlinson first semester of pursuing her Law degree But old habits die hard and she s soon caught up in more ethical struggles and self reflection Not only Tori but her teacher and others battle ethical and moral struggles as their stories unfold What can Tori do to make things right

*Everything Is Just Fine* Brett Paesel, 2019-04-09 In this brilliant laugh out loud satire named one of Washington Independent Review of Books Favorite Books of 2019 image conscious parents on a Beverly Hills junior soccer team struggle to keep up appearances as their private lives careen out of control You ll wince laugh out loud relate to and relish this unsparing satirical send up Wednesday Martin New York Times bestselling author Coach Randy is working mightily to keep it together and not simply with his vaguely unhappy wife distant child and a new boss who s eliminating half the sales force This season s soccer parents are a demanding bunch Diane s wine fueled group e mails are almost unintelligible team mom Jacqui s enthusiasm for the league verges on manic a divorced couple can barely conceal their murderous rage at each other and another mom is laser focused on schooling everyone on what constitutes a healthy snack option All the secrets and lies bubbling below the surface of their membrane thin civility threaten to combust when Alejandro a young foreign assistant coach refuses to play by the Beverly Hills code which is to mind your own business and don t look too deeply into anyone s soul Especially your own Brett Paesel brings hilarity and huge heart to a world that looks enviable and shiny on the outside but is in truth filled with aching for connection on the inside In the vein of Perotta and Semple everyday life in Paesel s deft rendering is anything but

*Soldiers* , 1972 *Hustling and Other Hard Work* Bettylou Valentine, 1978 This work is conceived of as an attempt to merge the least pretentious of social science writing style with a more popular story telling style and thus appeal to and inform a more varied audience than is usually reached by either method alone The first three sections dealing with the thesis of the work a review of social science literature and the methodology used by the anthropologists in the community are

primarily addressed to social scientists and other technicians The description of the community and the sketches of community people will hopefully be of more interest to the lay reader Ideally the conclusions drawn from all of the preceding materials will be of interest to all readers Because this work was designed to be read by the people who were the subjects of study for five years it seemed reasonable to develop the writing along with them Five years of living in a low income urban Black area have provided some insights into the kinds of reading materials that are popular there including daily newspapers Ebony magazine and other specifically Afro American publications items that I label escape reading such as detective stories love stories pornography and materials that the readers themselves describe as directly relevant to Black people and or ghetto life such as the work of Icepick Slim and Claude Brown Although the specific reading material in such an area is varied it most often is chosen or pursued for its relevance to the lives of Black people It is to this interest in themselves as Black people their history and their present circumstances that I hope to appeal here First I want to describe accurately and interestingly events that took place in the Black community where I lived and worked from 1968 through 1973 I hope that it will be possible for people from other areas across this country to see how similar these problems and these people's reactions are to their own lives Finally I want to help the reader to look beyond the description of events to an analysis of why these events occur and reoccur The reader will quickly discern that the project from which this report evolved was not a project undertaken to determine whether or not Black people in the United States are oppressed We had made this determination to our own satisfaction long before this study was begun Our purpose was to live in an oppressed community in order to determine and understand the forces that contribute to continued inequality Abstract shortened by UMI
