Working with Emotional Intelligence Daniel Goleman, 2000-01-04 Do you have what it takes to succeed in your career The secret of success is not what they taught you in school What matters most is not IQ not a business school degree not even technical know how or years of expertise The single most important factor in job performance and advancement is emotional intelligence Emotional intelligence is actually a set of skills that anyone can acquire and in this practical guide Daniel Goleman identifies them explains their importance and shows how they can be fostered For leaders emotional intelligence is almost 90 percent of what sets stars apart from the mediocre As Goleman documents it's the essential ingredient for reaching and staying at the top in any field even in high tech careers And organizations that learn to operate in

emotionally intelligent ways are the companies that will remain vital and dynamic in the competitive marketplace of today and the future. Comprehensively researched, crisply written and packed with fascinating case histories of triumphs, disasters and dramatic turnarounds, *Working with Emotional Intelligence* may be the most important business book you'll ever read. Drawing on unparalleled access to business leaders around the world and studies in more than 500 organizations, Goleman documents an astonishing fact: in determining star performance in every field, emotional intelligence matters twice as much as IQ or technical expertise. Readers also discover how emotional competence can be learned. Goleman analyzes five key sets of skills and vividly shows how they determine who is hired and who is fired in the top corporations in the world. He also provides guidelines for training in the emotionally intelligent organization in chapters that no one from manager to CEO should miss. *Working with Emotional Intelligence* could prove to be the most important reference for bottom line businesspeople in the first decades of the 21st century.

The Emotional Intelligence Quick Book Travis Bradberry, Jean Greaves, 2005-06-07 An accessible how-to guide that brings focus to the unique skills that comprise emotional intelligence and incorporate these tools into your life. **EMOTIONAL INTELLIGENCE: THE 1 PREDICTOR OF PROFESSIONAL SUCCESS AND PERSONAL EXCELLENCE** In today's fast-paced world of competitive workplaces and chaotic personal lives, each of us is searching for effective tools that can make our schedules, behaviors and relationships more manageable. *The Emotional Intelligence Quickbook* shows us how understanding and utilizing emotional intelligence can be the key to exceeding our goals and achieving our fullest potential. Authors Bradberry and Greaves use their years of experience as emotional intelligence researchers, consultants and speakers to revitalize our current understanding of emotional intelligence. They have combined their latest research on emotional intelligence with a quick, easy-to-use format and cut to the chase: information to demonstrate how this other kind of smart helps us to decrease our stress, increase our productivity, understand our emotions as they happen and interact positively with those around us. *The Emotional Intelligence Quickbook* brings this concept to light in a way that has not been done before, making EQ practical and easy to apply in every aspect of our daily lives. The Quickbook will help you to engage the four unique areas of EQ: self-awareness, self-management, social awareness and relationship management. Increase your EQ through the use of these skill-building techniques. Apply your EQ at work to develop leadership skills and improve teamwork, making you a better manager and a more desirable employee. Practice your EQ outside the office environment to benefit your relationships with loved ones, making you a better partner and parent. Access the link between your EQ and your physical well-being to improve your overall health. Emotional Intelligence: The Emotional Intelligence Book - Emotional Intelligence at Work and Emotional Intelligence Leadership John C. Allen,2017-05-15 Emotional Intelligence The Emotional Intelligence Book Emotional Intelligence at Work and Emotional Intelligence Leadership This Emotional Intelligence Book will answer the question what is emotional intelligence also referred to as EI As the book works to define emotional intelligence through the four main branches it dives deeper into explaining each branch in hopes of bringing about a higher self awareness in the reader Most people walk around with low emotional intelligence out of ignorance They do not know because they have never been taught Some crowds believe that the emotionally intelligent are as smart as those with high IQ's People in positions of leadership show a higher aptitude of EI for being able to help others to calm the crowd and to work well under pressure without cracking Each of the four branches of the emotional intelligence theory is explained in full detail The first branch is emotional perception The second branch is emotional reasoning The third branch is emotional understanding and the fourth branch is emotional management Each branch has an explanation on how to do it how to perceive how to reason how to understand and how to manage the emotions In learning this we can then learn how to improve emotional intelligence Emotional intelligence training helps to make leaders out of people and helps people to learn more about themselves and they will learn how to handle their emotions A person with a high level of emotional intelligence has learned how to control their reaction to their emotions and they can also help others with their responses to emotions The emotional intelligence definition shows that we are whole people who have emotions and will go through emotional times but that we can control our reaction and responses to these emotions instead of allowing the emotions to show as raw and out of control

The Emotional Intelligence Brandon Goleman, 2019-06-17 Buy the paperback version of this book and get the Kindle book version for free. Why is it that some people seem to cruise smoothly through life while the rest of us struggle to catch up? You probably know one such person or even two in your life. They make friends easily. They know exactly what to say in social situations. At work they are always up for consideration when a promotion is on the table. They generally have everything figured out or so it seems. It is sheer luck. Are the gods of good fortune always looking favorably upon these individuals? More often than not it is a question of emotional intelligence rather than luck. For the longest time it was believed that being book smart was all you needed to get by in life. That is until a different kind of smart was introduced into the picture. Emotional intelligence is essentially the kind of smart you need to understand your emotions, relate well to people and handle the curveballs that life may throw at you. People with emotional intelligence seem to have everything figured out because they have mastered the most important thing of all. They have mastered themselves. *The Emotional Intelligence* is a handbook on all things that you may have questions about in regards to your emotional quotient abbreviated EQ. It explores the various aspects of EQ from why we have emotions to why we need them. It explains why emotional intelligence might get you further in life than IQ without necessarily diminishing the very important role played by book smarts in your life. It goes further to bust the popular myths about emotional intelligence that exist thus allowing you to distinguish the truths from the misconceptions. This book is dedicated to helping you explore the various components of emotional intelligence and show you how you can improve at each of them. It discusses the role of emotional intelligence at home and in the workplace and helps you identify simple ways to go from low EQ to high EQ. Do you know a person or two who always seems to sap your energy every time you interact with them? You might be dealing with an energy vampire. What is an energy vampire? This question is answered comprehensively in this book complete with tips on how to deal with people who are intent on bringing out the worst in you otherwise known as energy vampires. If success were a matter of sheer luck then many of us who are not necessarily lucky would be doomed to fail. *The Emotional Intelligence* gives assurance that success in all areas of your life is well within your reach and it is not necessarily a function of luck if you take time to master your emotions and the emotions of those around you. If you have been struggling to understand where your emotions fit in the overall picture of your life or what you can do to achieve greatness in your personal and professional life then this book is perfect for you. Do not allow yourself to live another day in oblivion. Get ready to figure out the hard questions thanks to *The Emotional Intelligence*. You will thank yourself later for choosing to read this book.
