The purpose of Oral Language is to provide thirty six weeks of daily lessons to review, introduce and maintain punctuation, capitalization and usage skills within a whole language format. Each week's lessons are centered around a topic. Students will apply these skills in daily lessons using sentences which give general knowledge while motivating them to learn more about the topic. It is the intent of this program that students have the opportunity to practice proof reading skills under the direction of their teacher and ultimately utilize these skills within their own writing. **The Complete Sourcebook on Children's Software** Children's Software Review,2001-03 5000 critical reviews of CDs, videogames, smart toys for ages 1 to 16
