

Carmen Cusack Imdb

Carmen M. Cusack

Carmen Cusack Imdb:

[Birds and Women in Music, Art, and Politics](#) Carmen M. Cusack, 2019-10-17 This volume depicts the struggle of birds for freedom an endeavour similarly experienced by women in the United States and other regions of the globe It is a prolific study of how creatures interact psychosocially Sometimes birds inspire humanity and at other times humans desecrate birds They may interweave seamlessly or may experience indirect and direct conflicts Their needs overlap and may be satisfied and explored compassionately through analytical lenses including those of feminism anthropomorphism and animal rights They share platforms including art the male gaze and discussions about capture and oppression In this work both are presented as equally adept to survival on Earth In this capacity the book is novel and fresh In spite of contradictions such as preserving some birds at zoos while causing others to fight for sport birds overall will continue to cause humans to thrive develop and take off and by experiencing their lives through this book humans who share the birds spiritual and spatial realms will develop a keener sense of environmental care and how to make cruelty free choices This book's range is profound and includes original research on diverse areas depicting Martin Luther King Big Bird the presidents celebrities and other notable sources of leadership It also considers influential zoos and several preservation sites In all it is a well founded work that demonstrates care in research and argument

Abortion is the "A" Word Carmen M. Cusack, 2018-10-26 This book

will serve to persuade students educators politicians lawmakers and community leaders in the debate on abortion It will emancipate the reader from mundane and restrictive analyses such as those lobbed by courts legislatures and mass media It scathes routine constrictions and liberates fresh thoughts on specialized topics including choice penance and parenthood The book offers powerful perspectives about legalized termination and reduction using allusions to cult films and images from pop culture to explore dark realities and seldom discussed principles of survival and procreation Its analysis is bolstered by frameworks adopted from feminism film studies queer theory religious analysis legal studies criminal justice social science and economics

[Animals, Deviance, and Sex](#) Carmen M. Cusack, 2015-10-13 Animals Deviance and Sex proposes that deviance is a fluid term that advances cultural gender human and societal norms but deviant labels that presume unequivocally to segregate superior human morality from animal sexuality may fail to see the forest for the trees A plain reading of the word deviance may suggest scientific or quantitative classifications Indeed animal species may be grouped and analyzed according to generalized norms for each species However deviance may indicate moral relativism which is fundamentally tied to historical and contemporary understandings of human sexuality and human animal relationships Animals Deviance and Sex argues that traditional and progressive classifications analyses and implications of human deviance could authentically be reworked in consideration of animals anatomy breeding copulation gender mating nonconsent and sexuality Morally and ethically gray areas voluntarily and knowingly traversed by human animal sexual linkages have expanded and become increasingly normalized by popular culture Animals Deviance and Sex's treatment of

these trends is amusingly complex yet unpretentious truthfully proficient and careful Each chapter assiduously and succinctly tethers animal science anecdotes behavior and social science current events human animal relationships law and theory throughout dozens of exotically themed subchapters Animals Deviance and Sex is a well organized oeuvre demonstrating professional expertise and experience *Cinemanía* ,2000-07
