

Reading Comprehension Worksheet for Grade 2

Movie -Book

My class is going on a field trip. Before we leave, we have to get permissions from our parents and ask them if they will drive to the movie theater. The movie is about a story we read about. It is fun to compare the movie to the book. I mostly like the books better than movies. After a week, we go to the movies. I and Jake buy popcorn while the other kids buy candies and slushes too. We all enjoy watching the movie. On our way back, we talk about the things that are same in the movie and the book. We all agree that we like the book better because books let you imagine the character however you want to.

Q1. Where is the class going?

Ans. _____

Q2. The parents had to _____ to the movie theater.

Ans. _____

Q3. The movie was about a _____ we read.

Ans. _____

Q4. It is fun to _____ the movie and the book.

Ans. _____

Q5. The books are better because they let you _____ the _____.

Ans. _____

SYSTEMATIC INSTRUCTION IN READING FOR SPANISH-SPEAKING STUDENTS Elva Duran, 2013-04-01 Students whose first language is not English are the fastest growing group in public schools in all regions of the United States Almost 10 million children between the ages of five and 17 live in the homes and communities in which a language other than English is spoken and presently most schools in the U S are under educating many English learners The achievement of Hispanic students needs to improve dramatically over the next five years and this book describes the cornerstone elements for bringing about this change The initial chapter introduces direct instruction to be used with reading and literacy programs Chapters 2 and 3 provide excellent review of the literature in language development and address developing language instruction listening and speaking with Spanish speaking students and offers what a comprehensive language development program should look like Chapter 4 reviews academic language and literacy instruction while the next addresses the components of instruction in Spanish Chapter 6 offers lesson plan suggestions for Spanish speaking students while the following two sections discuss components that transfer and do not transfer in Spanish to English reading instruction Chapter 9 reviews English language development and provides lesson plans for implementing SDAIE programs Finally Chapter 10 discusses two way bilingual immersion and shares actual classroom schedules and lessons This unique text will help in the preparation of primary grade teachers throughout the U S so that they may be successful with Hispanic students entering the public schools with little or no English background It will also be a useful tool for school districts staff development in addressing school improvement goals for increasing the achievement of Hispanic students

Thinking Strategies for Student Achievement Denise D. Nessel, Joyce M. Graham, 2006-08-10 This resource provides a repertoire of high effect comprehension strategies It is important for classroom teachers and school leaders to be able to justify why they are using specific strategies and what the benefits are of a specific strategy Nessel and Graham provide this justification W Dorsey Hammond Professor of Education Salisbury University Use these strategies to develop your students thinking skills and increase their learning in all subject areas How can teachers improve students higher level and creative thinking The revised edition of this handbook provides strategies and sample lesson plans to help students learn to think more effectively and to raise their achievement levels Drawing upon past and recent research the authors discuss the importance of actively engaging all students including those with a history of low achievement in higher levels of thinking Thirty specific strategies including K W L Read and Think Math and Reciprocal Teaching can be readily integrated into daily lesson plans This step by step guide shows teachers how to Help students develop refine and extend their thinking capacities Challenge students to creatively approach complex and unfamiliar material Encourage students to bring their own perspective to class assignments Provide students at all learning levels with appropriate support With its user friendly
