## Contamination 6 Sanctuary:

*Contamination* T. W. Piperbrook, 2015-05-29 In a world full of danger reprieve is only temporary For days the farmhouse has been a place of safety for Dan Quinn Meredith and John But a new threat is emerging one that threatens to destroy the group from the inside out In order to get to freedom they ll need to survive one last journey And that journey might cost them their lives ALSO AVAILABLE IN THE SERIES CONTAMINATION BOOK ZERO CONTAMINATION 1 THE ONSET

CONTAMINATION 2 CROSSROADS CONTAMINATION 3 WASTELAND CONTAMINATION 4 ESCAPE CONTAMINATION 5

SURVIVAL CONTAMINATION 6 SANCTUARY CONTAMINATION DEAD INSTINCT Inner Purity and Pollution in Greek Religion Andrej Petrovic, Ivana Petrovic, 2016-10-06 Was Ancient Greek religion really mere ritualism Early Christians

denounced the pagans for the disorderly plurality of their cults and reduced Greek religion to ritual and idolatry protestant theologians condemned the pagan religion of form with Catholicism as its historical heir For a long time scholars tended to conceptualize Greek religion as one in which belief did not matter and religiosity had to do with observance of rituals and religious practices rather than with worshipers inner investment But what does it mean when Greek texts time and again speak of purity of mind soul and thoughts This book takes a radical new look at the Ancient Greek notions of purity and pollution Its main concern is the inner state of the individual worshipper as they approach the gods and interact with the divine realm in a ritual context It is a book about Greek worshippers inner attitudes towards the gods and rituals and about what kind of inner attitude the Greek gods were envisaged to expect from their worshippers In the wider sense it is a book about the role of belief in ancient Greek religion By exploring the Greek notions of inner purity and pollution from Hesiod to Plato the significance of intrinsic faith based elements in Greek religious practices is revealed thus providing the first history of the concepts of inner purity and pollution in early Greek religion

*Sexual Pollution in the Hebrew Bible* Eve Levavi Feinstein, 2014-09-01 The concepts of purity and pollution are fundamental to the worldview reflected in the Hebrew Bible yet the ways biblical texts apply these concepts to sexual relationships remain largely overlooked Sexual Pollution in the Hebrew Bible argues that when applied to sexual relations pollution language usually reflects a conception of women as sexual property susceptible to being ruined for particular men through contamination by others In contrast however the Holiness legislation of the Pentateuch applies such language to men who engage in transgressive sexual relations conveying the idea that male bodily purity is a prerequisite for individual and communal holiness This understanding of sexual pollution found in Leviticus 18 has a profound impact on later texts In the book of Ezekiel it contributes to a broader conception of pollution resulting from Israel s sins which bring about the Babylonian exile In the book of Ezra it figures in a view of the Israelite community as a body of males contaminated by foreign women Drawing on psychological and cross cultural studies as well as philological and historical critical analysis of biblical texts Eve Feinstein s study illuminates the reasons why the idea of pollution adheres to particular domains of experience including sex death and certain types of infirmity
